MINGYUAN MEDICARE DEVELOPMENT COMPANY LIMITED

銘源醫療發展有限公司*

(Incorporated in Bermuda with limited liability)

(Stock code: 0233)

**ANNOUNCEMENT OF FINAL FINANCIAL RESULTS
FOR THE YEAR ENDED 31 DECEMBER 2014**

BACKGROUND

Trading in the shares of Mingyuan Medicare Development Company Limited (the “Company”) has been suspended from trading on The Stock Exchange of Hong Kong Limited (the “Stock Exchange”) since 1 April 2015 as the Company failed to publish its audited financial statements for the financial year ended 31 December 2014 and onwards.

After the special general meeting held on 10 September 2014, the Company failed to hold an annual general meeting (“AGM”) within the time limits prescribed by the Bermuda Companies Act 1981 (“BCA 1981”) and by Bye-law 67 of the Company’s New Bye-laws. The Chief Justice of Bermuda granted the relief to permit Greater Achieve Limited, a substantial shareholder of the Company, to convene the AGM itself. The AGM convened by Greater Achieve Limited was held on 20 May 2016. At that meeting, each of the directors was either retired or removed and the entire board of the Company was replaced, and Crowe Horwath (HK) CPA Limited was appointed as auditor of the Company in place of Deloitte Touche Tohmatsu (“Deloitte”).

The new members of the board of directors of the Company do not have access to a substantial part of the accounting books and records held by the Company prior to 20 May 2016. Prior to the appointments of the new directors, the Company’s hard drives had been removed as a result of which its computer records were no longer accessible, and its banking records had been removed. Substantial part of the accounting records of the Company and its subsidiaries, in particular 上海數康生物科技有限公司 Shanghai HealthDigit Company Limited (“Shanghai HealthDigit”) and 上海銘源數康生物芯片有限公司 SHMY HealthDigit Biochip Company Limited (“SHMY Biochip”) is no longer accessible.

** For identification purpose only*

The board of directors of the Company (the “Board”) herein announces the consolidated results of the Company and its subsidiaries (collectively the “Group”) for the year ended 31 December 2014 (the “Year”) based on the books and records made available to them, together with the comparative figures for the year ended 31 December 2013. Members of the Board make no representation as to the completeness of the information contained in this Announcement.

Business Review

As at the date of this Announcement, the Board is still in the process of getting back the control over the Group’s two key subsidiaries, Shanghai HealthDigit and SHMY Biochip, and cannot access to their books and records. As a result, the Group cannot consolidate the results of these two subsidiaries and their related investments for the year ended 31 December 2014 into the Group (“Derecognition”). Derecognition results loss of HK\$804.5 million for the Year. After the Derecognition of the above subsidiaries, the Group only maintained Health Care Division which sells HPV DNA testing kits to hospital for early diagnostic screening of HPV to female patients. The division recorded total sales of HK\$45.2 million for the Year (2013: HK\$20.9 million).

Purchase, Sale or Redemption of the Company’s List Securities

Based on the information and/or documents available, neither the Company nor any of its subsidiaries purchased, sold or redeemed any of the Company’s listed securities during the Year.

Corporate Governance Practices

Based on the information and/or documents available, the Board is unable to confirm whether the Company meets the code provisions set out in the Corporate governance Code contained in Appendix 14 during the Year.

Annual Results reviewed by the Audit Committee

The annual results have been reviewed by the Audit Committee.

Future Development

The Company has continued to carry on its principal business in manufacturing and trading of HPV chips and related equipment through Genetel Pharmaceuticals (Shenzhen) Company Limited in PRC.

Shareholders may refer to the announcements made by the Company on 10 August 2018, 15 November 2018, 11 February 2019 and 2 May 2019 respectively on the updates on trading suspension. The Company will endeavor to publish all outstanding financial results and demonstrate to the Stock Exchange that all the resumption conditions have been fulfilled and to the SFC that its concerns have been properly addressed.

EXTRACT OF INDEPENDENT AUDITOR'S REPORT

The section below sets out an extract of the independent auditor's report regarding the consolidated financial statements of the Group for the year ended 31 December 2014.

BASIS FOR DISCLAIMER OF OPINION

As disclosed in note 2 to the consolidated financial statements, Deloitte Touche Tohmatsu, the predecessor auditor (the "Predecessor Auditor") of the Company reported to the then board of directors and audit committee their findings during a visit to a PRC bank to confirm a bank account with a balance of RMB420,245,000 (equivalent HK\$525,044,000) (the "Bank Account") as at 31 December 2014. The Predecessor Auditor was told by the bank staff that the Bank Account purportedly held by the Company's subsidiary namely SHMY HealthDigit Biochips Company Limited ("SHMY Biochip") belonged to an individual. The findings call into question the validity of the Bank Account and the underlying transactions.

An independent board committee (the "IBC") comprising two of the then independent non-executive directors of the Company was established to conduct an investigation into the matter. At the annual general meeting held on 20 May 2016, the 7 former directors were replaced by a new board of directors. From then on, under the board of directors of the Company (the "Board"), a new IBC was formed which then engaged an independent professional firm to conduct an independent forensic investigation. According to the findings of the investigation, the Board understood that SHMY Biochip entered into an agreement with a PRC company in Beijing (the "Beijing Company") on 23 December 2013 for the exchange of foreign currency whereby SHMY Biochip transferred RMB396 million (equivalent to HK\$507,197,000) to the Beijing Company in return for the Beijing Company agreeing to exchange the sum into Hong Kong dollars within 3 months from the day of the agreement in Hong Kong. The Beijing Company failed to deliver the Hong Kong currency in Hong Kong but purportedly the whole amount of RMB396 million was recovered by SHMY Biochip in May and June in 2014. Subsequently, a sum of RMB420 million was withdrawn from a bank account but the details of the transfer were unknown. The investigation concluded that SHMY Biochip did not hold the Bank Account. Up to the date of approval of these consolidated financial statements, this matter remained outstanding as the Company was unable to gain access to the accounting books and records of SHMY Biochip and, therefore, the independent forensic investigation could not be continued.

In addition, the Board noted that the Company's hard drives in the computers in its Hong Kong office had been removed and its banking documents taken away as a result of which their computer records including details of all bank transactions were no longer accessible. A substantial part of the accounting and computer records of the Company and its subsidiaries is no longer accessible. The Company reported the matter to the Hong Kong Police. The Board further identified questionable transactions in the previous years as disclosed in note 2(f) to the consolidated financial statements.

Up to the date of approval of these consolidated financial statements, except for Genetel Pharmaceuticals (Shenzhen) Company Limited, the Board was unable to take over the control of the Company's other subsidiaries in the PRC.

These events, together with other matters as set out in the following paragraphs, form the basis of our disclaimer of opinion:

1. Derecognition of and loss arising from Shanghai Subsidiaries

As disclosed in note 2(e) to the consolidated financial statements, pursuant to the resolution passed at the annual general meeting of the Company held on 20 May 2016, all the then directors (the "ex-directors") were either removed or retired from the board of the Company and the Company appointed seven new directors. From then on, the Board began to take over the control of the Company and its subsidiaries from the ex-directors. However, save for the equity interest owned by the Group and the removal of former directors and legal representatives and the appointment of new directors and legal representatives by way of shareholders' resolutions, the Board was unable to take control over the management and operations of SHMY Biochip and Shanghai HealthDigit Co., Limited and their subsidiaries (the "Shanghai Subsidiaries") notwithstanding the Board took actions against Mr. Yao Yuan and Mr. Iu Chung for the return of the company seals and business licenses of the Shanghai Subsidiaries. The Board was also unable to gain access to the premises, assets and books and records of the Shanghai Subsidiaries and to direct their relevant activities. Under these circumstances, the Board considered that the control over the Shanghai Subsidiaries was lost and therefore the financial performance and financial position of the Shanghai Subsidiaries were not consolidated into these consolidated financial statements. The Board also considered that the balances relating to the Shanghai Subsidiaries brought forward from 31 December 2013 should be derecognised and therefore the financial effects were charged to the consolidated statement of profit or loss and other comprehensive income for the year ended 31 December 2014. The Shanghai Subsidiaries were accounted for as available-for-sales investments as at 31 December 2014.

In the absence of sufficient appropriate audit evidence, we were unable to ascertain whether it was appropriate to derecognise the Shanghai Subsidiaries from the consolidated financial statements for the year ended 31 December 2014 and the correctness of the recognition of the loss arising from the Shanghai Subsidiaries of HK\$804,506,000 in the consolidated statement of profit or loss and other comprehensive income for the year ended 31 December 2014. The derecognition of the financial position and results of the Shanghai Subsidiaries in the consolidated financial statements is a departure from the requirements of Hong Kong Financial Reporting Standard 10 "Consolidated Financial Statements". Due to the absence of the books and records of the Shanghai Subsidiaries, we were unable to quantify the financial effects arising from the departure from Hong Kong Financial Reporting Standard 10 "Consolidated Financial Statements".

In addition, we were unable to obtain sufficient appropriate audit evidence to determine whether it was appropriate to account for the Shanghai Subsidiaries as available-for-sales investments and as to whether the carrying values of the investments in the Shanghai Subsidiaries was free from material misstatement. Any adjustments that might have been found to be necessary would have a consequential significant effect on the Group's and the Company's net assets as at 31 December 2014 and the Group's results for the year then ended and the related classification and disclosures in the consolidated financial statements.

2. Opening balances and corresponding figures

The consolidated financial statements of the Group for the year ended 31 December 2013 were audited by another firm of auditors. As disclosed in note 2 to the consolidated financial statements, the Board identified irregularities in the previous years' financial statements and the Securities and Futures Commission suggested that the bank statements and bank transfer documents provided by the Company were forged. The Securities and Futures Commission also concerned that the Company's annual results announcement and annual report for the year ended 31 December 2013 and the interim results and interim report for the six months ended 30 June 2014 had contained materially false, incomplete or misleading information and, as the Board was unable to gain access to the books and records of the Shanghai Subsidiaries and substantial part of accounting and computer records of the Company and its subsidiaries was no longer accessible, the Board believed that it was not practical, if not impossible, to verify the financial information as reported in the consolidated financial statements of the Group for the year ended 31 December 2013 and past years. Accordingly, the comparative financial information disclosed in these consolidated financial statements may contain errors and omissions and has not been adjusted or reclassified on a basis consistent with that of the current year and therefore may not be comparable with the figures for the current year.

The consolidated financial statements for the year ended 31 December 2013 therefore might not comply with the Hong Kong Financial Reporting Standards, or the disclosure requirements of the Hong Kong Companies Ordinance and the Rules Governing the Listing of Securities of The Stock Exchange of Hong Kong Limited.

As a result, in performing our audit of the consolidated financial statements of the Group for the year ended 31 December 2014, we were unable to obtain sufficient appropriate audit evidence to satisfy ourselves as to whether the opening balances of assets, liabilities and reserves as at 1 January 2014 and the corresponding figures were fairly stated.

Any adjustments found to be necessary in respect thereof had we obtained sufficient appropriate audit evidence would have had a consequential effect on the net assets of the Group as at 1 January 2014, and of its results and cash flows for the current and prior years, and the related disclosures thereof in the consolidated financial statements.

3. Revenue

As disclosed in note 8(a) to the consolidated financial statements, the revenue of the Group mainly represented the sales of HPV detection products by a subsidiary namely Genetel Pharmaceuticals (Shenzhen) Company Limited (“Genetel Shenzhen”) to hospitals and other customers (the “End Users”). However, Genetel Shenzhen did not enter into any sales contracts with the End Users. Genetel Shenzhen only entered into agreements (the “Sales Agreements”) with certain distributors pursuant to which Genetel Shenzhen sold goods to the distributors. Under the Sales Agreements, Genetel Shenzhen shall deliver goods to the End Users upon receiving payments from the distributors (the “Payments”) and issue sales invoices for the distributors to the End Users under the instructions from the distributors. The sales invoices issued by Genetel Shenzhen to the End Users were to be in amounts specified by the distributors without the Group having a price negotiating right. The selling price stated in the sales invoices to the End Users were higher than the selling price stated in the Sales Agreement with the distributors. In addition, there were no acknowledgment of goods receipt by the End Users available for our inspection. Notwithstanding the fact that no written agreements for sales were entered into between Genetel Shenzhen and the End Users, the Board considered that the End Users were customers of Genetel Shenzhen, therefore, the amounts stated in the sales invoices issued for the End Users were recognised as revenue of the Group.

Under another agreement with the distributors, the distributors were appointed to perform technical and ancillary services to the End Users. Upon receiving of settlements of trade receivables from the End Users, Genetel Shenzhen was required to pay the distributors the technical service fees and refund the Payments to the distributors net of appropriate value added tax.

In the absence of sufficient appropriate audit evidence, we were unable to ascertain whether the recognition of sales invoice amounts to the End Users as revenue was appropriate and the existence and accuracy of the revenue of HK\$45,243,000 for the year ended 31 December 2014.

4. Other intangible assets, property, plant and equipment and impairment on other intangible assets and property, plant and equipment

As detailed in note 21 to the consolidated financial statements, there were other intangible assets with carrying amounts of HK\$807,379,000 brought forward from 2013 of which HK\$23,820,000 were fully impaired and HK\$762,039,000 were derecognised upon derecognition of Shanghai Subsidiaries for the year ended 31 December 2014. After the amortisation of HK\$4,082,000 and exchange adjustments of HK\$504,000 for the year ended 31 December 2014, the carrying amount of the other intangible assets as at 31 December 2014 were HK\$16,934,000. The other intangible assets represented technical know-how held and used by Genetel Shenzhen. The Board was unable to locate the purchase agreements nor valuation reports at the date of the acquisition of these technical know-how. There were no other documents to support the costs and the carrying amount of these other intangible assets. In this connection, the Board was unable to ascertain the accuracy of the cost and carrying amount of the other intangible assets of HK\$16,934,000 as at 31 December 2014 nor the amortisation of HK\$4,082,000 or the impairment loss on other intangible assets of HK\$23,820,000 charged to the consolidated statement of profit or loss and other comprehensive income for the year ended 31 December 2014.

The Board carried out an impairment assessment on the cash generating unit of the manufacture and trading of HPV detection products and related equipment. As a result of the assessment, no impairment loss nor reversal of impairment loss was made for the year ended 31 December 2014. The recoverable amount of the cash generating unit has been determined by the Board based on value in use calculations. In preparing cash flow projections for the cash generating unit, the Board used certain bases and assumptions and the historical performance of Genetel Shenzhen. Given the facts that the revenue, trade receivables, technical services fees and other items of Genetel Shenzhen were qualified, we were unable to obtain sufficient appropriate audit evidence to ascertain the reasonableness of the assumptions and bases upon which the Board has employed in determining the recoverable amounts of the cash generating unit. There were no alternative audit procedures that we could perform to satisfy ourselves as to the carrying amount of the other intangible assets of HK\$16,934,000 and property, plant and equipment of HK\$1,552,000 as at 31 December 2014 or whether any impairment loss or reversal of impairment loss for the year ended 31 December 2014 is necessary. Any adjustments to the carrying amounts of other intangible assets and property, plant and equipment found to be necessary would affect the Group's net assets as at 31 December 2014, the Group's loss for the year then ended and the related disclosures in the consolidated financial statements.

5. Investments in a joint venture

As disclosed in note 22 to the consolidated financial statements, the Group held 50% equity interest in a joint venture namely 天津紅鬃馬醫院投資管理有限公司 (“天津紅鬃馬”), with a carrying amount of HK\$14,765,000 as at 31 December 2013.

The interest in 天津紅鬃馬 was held by the Shanghai Subsidiaries. Given that the Board was unable to take over the control of the Shanghai Subsidiaries, the Board was unable to obtain the books and records of 天津紅鬃馬. Therefore, the Group has not equity accounted for the financial statements of the joint venture for the year ended 31 December 2014. In the absence of the relevant books and records, we were unable to obtain sufficient appropriate audit evidence to ascertain whether it was appropriate to derecognise the interest in a joint venture and not to equity account for the joint venture in the consolidated financial statements.

6. Investments in an associate

As disclosed in note 23 to the consolidated financial statements, the Group held 30% equity interest in an associate namely 天津中新科炬生物製藥有限公司 (“NewScen Coast”), with a carrying amount of HK\$58,754,000 as at 31 December 2013.

According to the information obtained, the 30% interest in NewScen Coast was held by the Shanghai Subsidiaries. Given that the Board was unable to take over the control of the Shanghai Subsidiaries, the new management was unable to obtain the books and records of NewScen Coast and therefore the Group has not equity accounted for the financial statements of the associate for the year ended 31 December 2014. In the absence of the relevant books and records, we were unable to obtain sufficient appropriate audit evidence to ascertain whether it was appropriate to derecognise the interest in an associate and not to equity account for the associate in the consolidated financial statements.

7. Loan receivable and loan interest income

As disclosed in note 26 to the consolidated financial statements, there was a loan receivable together with interest receivable totalling HK\$83,738,000 due from an individual in the PRC (the “Individual”). On 14 November 2014, the Group entered into a loan agreement with the Individual pursuant to which the Group granted a loan of RMB66,000,000 (equivalent to HK\$82,500,000) to the Individual. Pursuant to the loan agreement, the loan was secured by the Individual’s 21% shareholding interest in the Company, bearing interest at 1% per month and repayable on 16 May 2015. The Individual failed to make repayment upon maturity and the loan became overdue for more than three years up to the date of approval of the consolidated financial statements. The Board noted that there was only one director’s signature on the board minutes approving the loan and the security as stated in the board minutes was the Individual’s interests in NewScen Coast, an associate of the Group instead of the individual’s 21% shareholding interest in the Company as stated in the loan agreement. In addition, based on the information obtained, the Board noted that the Individual was neither a shareholder of the Company nor a shareholder of the associate of the Group.

According to the available accounting records, the loan was made to the Individual through the current account with SHMY Biochip. Due to the fact that the Board was unable to gain access to the books and records of SHMY Biochip, the Board was unable to verify whether the loan was properly made to the Individual.

The Board was also unable to verify if the Individual held 21% shareholding interest in the Company. In addition, up to the date of approval of the consolidated financial statements, no settlement was made by the Individual for the loan of HK\$82,500,000 nor accrued interest receivable of HK\$1,238,000. Therefore, the amount of loan and interest receivable of HK\$83,738,000 was fully impaired during the year ended 31 December 2014.

The Board was also unable to confirm if the loan of HK\$118,000,000 brought forward from 2013 and the related loan interest income of HK\$3,510,000 for the year ended 31 December 2014 was actually received by SHMY Biochip.

In the absence of sufficient appropriate audit evidence, we were unable to ascertain the existence and accuracy of the loan receivable of HK\$82,500,000 and the related interest receivable of HK\$1,238,000 and the impairment loss of HK\$83,738,000 as at 31 December 2014, the loan receivable of HK\$118,000,000 brought forward from 2013 and the total interest income of HK\$4,748,000 recognised in the consolidated statement of profit or loss and other comprehensive income and whether the impairment loss on loan receivables of HK\$83,738,000 charged to the consolidated statement of profit or loss and other comprehensive income for the year ended 31 December 2014 were appropriate.

8. Inventories

We were engaged to perform the audit of the consolidated financial statements of the Group for the year ended 31 December 2014 in May 2016, and we were therefore unable to attend the physical inventory counts conducted by Genetel Shenzhen as at 31 December 2014 and 31 December 2013. In the absence of sufficient inventory records maintained by Genetel Shenzhen for certain period during the year of 2014, we were unable to perform inventory roll-back procedures to verify the quantity and existence of inventories as at 1 January 2014.

There were no other practical alternative audit procedures that we could perform to satisfy ourselves as to the existence, valuation and completeness of the inventories of HK\$2,864,000 as at 1 January 2014 held by Genetel Shenzhen and as to whether the valuation of the inventories was calculated in accordance with the Group's accounting policy and hence were unable to determine whether any adjustment to this amount was necessary. We were also unable to determine whether any adjustment might have been necessary in respect of the financial performance reported in the consolidated statement of profit or loss and other comprehensive income and the net cash flows from operating activities reported in the consolidated statement of cash flows of the Group for the year ended 31 December 2014.

9. Trade receivables

As mentioned in paragraph 3, we were unable to ascertain the existence and accuracy of the revenue for the year ended 31 December 2014 and whether the recognition of sales invoice amounts to the End Users as revenue was appropriate. The trade receivables of HK\$15,527,000 as at 31 December 2014 as stated in note 27 to the consolidated financial statements were arising from these revenue. No satisfactory confirmation replies were obtained from the End Users in relation to the outstanding trade receivables. Because of these scope limitations, there were no alternative audit procedures that we could perform to satisfy ourselves as to the existence, accuracy and valuation of the Group's trade receivables of HK\$15,527,000 as at 31 December 2014 and the impairment loss on trade receivables of HK\$322,000 charged to the consolidated statement of profit or loss and other comprehensive income for the year ended 31 December 2014. Consequently, we were unable to determine whether any adjustment to these amounts and disclosures was necessary.

10. Other receivables

As disclosed in note 27(c) to the consolidated financial statements, there were other receivables of HK\$3,759,000, brought forward from 2013 which had been outstanding in the books of Genetel Shenzhen for several years. The Board noted that there were no documentary evidence to confirm the nature and existence of these other receivables. At the same time, there were certain long outstanding receipts in advance of HK\$2,802,000 due to the same parties brought forward from 2013. The Board set off these other receivables with receipts in advance and the net balance of HK\$957,000 was charged to the consolidated statement of profit or loss and other comprehensive income as an impairment loss on other receivables.

In the absence of supporting documents, we were unable to obtain sufficient appropriate audit evidence to ascertain the existence, valuation, nature and accuracy of the other receivable and receipts in advance brought forward from last year and the accuracy of the impairment loss on other receivables and whether the Group had the right to set off and the impairment loss on other receivable of HK\$957,000 charged to consolidated statement of profit or loss and other comprehensive income was appropriately recognised in the proper accounting period.

11. Other payables

As disclosed in note 31(e) to the consolidated financial statements, there was an amount of HK\$4,010,000 due to 香港港龍科技有限公司 in the books of Genetel Shenzhen. The Board noted that the amount was brought forward from previous years and there was no sufficient information to confirm the nature of this amount. In addition, according to the available information, there was no company registered in the name of 香港港龍科技有限公司 either in the PRC or Hong Kong.

In the absence of appropriate supporting documents, we were unable to obtain sufficient appropriate audit evidence to ascertain the nature, existence and accuracy of the amount of HK\$4,010,000 as included in the other payable as at 31 December 2014.

12. Receipts in advance

As disclosed in notes 31 and 31(b) to the consolidated financial statements, there were receipts in advance of HK\$3,773,000 as at 31 December 2014 which represented the payments received from the distributors upon delivery of goods to the End Users as mentioned in paragraph 3 above. In the absence of the sufficient documentary evidence, we were unable to verify whether the recognition of the payments received from the distributors as liabilities is appropriate and as to the accuracy of the outstanding balances as at 31 December 2014.

13. Income tax, income tax payable and deferred tax liabilities

As disclosed in notes 14, 33 and 34 to the consolidated financial statements, the Group recorded income tax credit of HK\$54,157,000 for the year ended 31 December 2014 and income tax payable of HK\$358,000 and deferred tax liabilities of HK\$5,257,000 as at 31 December 2014. The income tax credit mainly comprises of a write back of unreconciled deferred tax liabilities of HK\$48,041,000 relating to the withholding tax on undistributed profits of the PRC subsidiaries and deferred tax credit of HK\$6,975,000 in relation to the impairment loss and amortisation of other intangible assets which were subject to audit qualifications. In addition, we were unable to obtain sufficient appropriate audit evidence regarding the revenue and certain expenses as mentioned in paragraphs 3 and 14 and note 33 to the consolidated financial statements and the books and records were incomplete. As a consequence, we were unable to obtain sufficient appropriate audit evidence for us to verify the related income tax payable and deferred tax liabilities.

There were no other practical alternative audit procedures that we could perform to satisfy ourselves as to the completeness and accuracy of the income tax credit of HK\$54,157,000 recorded in the consolidated statement of profit or loss and other comprehensive income for the year ended 31 December 2014 and the income tax payable of HK\$358,000 and deferred tax liabilities of HK\$5,257,000 as at 31 December 2014.

14. Technical service fees

As stated in note 13 to the consolidated financial statements, there were technical service fees of HK\$22,566,000 payable to the distributors as included in the administrative expenses for the year ended 31 December 2014 of which HK\$4,294,000 were related to the sales transactions conducted and recognised in 2013. No sufficient documentary evidence were made available for us to ascertain the nature of the actual technical services provided by the distributors. Certain technical service fees of HK\$14,486,000 were supported by invoices issued by third parties unrelated to the provision of the technical services.

In the absence of sufficient appropriate audit evidence, we were unable to ascertain the completeness, existence and accuracy of the technical service fees of HK\$22,566,000 for the year ended 31 December 2014 and the outstanding technical service fees payable of HK\$10,297,000 as at 31 December 2014 as stated in note 31 to the consolidated financial statements.

15. Payments made to ex-directors and Mr. Iu Chung

As disclosed in note 40(c)(ii) to the consolidated financial statements, there were certain payments of HK\$1,520,000 made to the ex-directors of the Company and HK\$370,000 to Mr. Iu Chung, by Genetel Shenzhen which were included in the administrative expenses for the year ended 31 December 2014. There were no supporting documents to substantiate the purpose, substance and nature of these payments. The Board advised that these payments were approved by the ex-directors of the Company who had left the Company.

In the absence of sufficient appropriate audit evidence, we were unable to ascertain the purpose, substance and nature of these payments and there were no other satisfactory audit procedures that we could adopt to satisfy ourselves that the payments made to the ex-directors and Mr. Iu Chung and recognised as administrative expenses were properly accounted for and disclosed.

16. Write back of an amount due to an ex-director

As disclosed in note 10(a)(iii) to the consolidated financial statements, the write back of an amount due to an ex-director Mr. Chien Hoe Yong, Henry of HK\$3,478,000 included an amount of HK\$3,047,000 credited to the current account with the ex-director without any supporting documents made in 2014. The ex-director took legal actions against the Company for a total claim of HK\$41,347,000 plus interest. In view of the fact that the case was dismissed in October 2016, the Board was of the opinion that the amount payable to the ex-director as recorded in the books of the Company should be written back to the consolidated statement of profit or loss and other comprehensive income for the year ended 31 December 2014.

In the absence of sufficient appropriate audit evidence, we were unable to ascertain the nature and accuracy of the amount of HK\$3,478,000 and whether the write back of the amount due to an ex-director as other income was appropriate and recognised in the proper accounting period.

17. Impairment loss on amount due from an ex-director

As stated in note 40(c)(iii) to the consolidated financial statements, the Board noted that there was an amount of HK\$1,249,000 paid to an ex-director, Mr. Chien Hoe Yong, Henry prior to 2014. The amount was recorded in the current account with SHMY Biochip in previous years. The Board could not identify the purpose, substance and the nature of the payment made to Mr. Chien. However, the Board considered that the amount due from an ex-director should be separately classified from the current account with SHMY Biochip and therefore a reclassification has been made in the year ended 31 December 2014. The Board also considered that the amount due from Mr. Chien would not be recoverable, therefore, an impairment loss of HK\$1,249,000 on the amount due from an ex-director has been made in the consolidated statement of profit or loss and other comprehensive income for the year ended 31 December 2014.

In the absence of sufficient appropriate audit evidence, we were unable to ascertain the substance and nature of the payment and there were no other satisfactory audit procedures that we could adopt to satisfy ourselves that the impairment loss of HK\$1,249,000 on the amount due from an ex-director was properly accounted for and disclosed.

18. Impairment loss on amount due from a related company

As disclosed in note 40(c)(iv) to the consolidated financial statements, there was an amount of HK\$1,015,000 due from 上海銘源實業 brought forward from 2013 in the books of Genetel Shenzhen. The Board noted that there was no documentation to confirm the nature and existence of the amount due from 上海銘源實業 and there was no subsequent settlement up to the date of approval of these consolidated financial statements. Therefore, the Board considered that the amount due from 上海銘源實業 could not be recovered. Therefore, an impairment loss of HK\$1,015,000 was made on the amount due from a related company and charged to the consolidated statement of profit or loss and other comprehensive income for the year ended 31 December 2014.

In the absence of sufficient appropriate audit evidence, we were unable to ascertain the nature and existence of the amount due from 上海銘源實業 and whether the impairment loss on amount due from a related company of HK\$1,015,000 charged to the consolidated statement of profit or loss and other comprehensive was appropriately recognized in the proper accounting period.

19. Litigations and contingent liabilities

As disclosed in notes 46 and 47 to the consolidated financial statements, the Group, its joint venture and ex-directors of the Company were involved in a number of litigations in the PRC. Given the fact that the Board was unable to take over the control of the Shanghai Subsidiaries and gain access to their books and records, the Board was unable to ascertain the accuracy or completeness of the disclosure regarding the litigations and contingent liabilities of the Group for the year ended 31 December 2014 and the subsequent period up to the date of approval of these consolidated financial statements.

In the absence of sufficient appropriate audit evidence, we were unable to determine whether all provisions and contingent liabilities have been properly accounted for and disclosed in the consolidated financial statements in accordance with Hong Kong Accounting Standard 37 “Provisions, Contingent Liabilities and Contingent Assets”.

20. Directors’ and chief executive’s and employees’ emoluments

As disclosed in note 15 to the consolidated financial statements, there were directors’ emoluments of HK\$2,919,000 and employees’ emoluments of HK\$1,336,000 for the year ended 31 December 2014 for the ex-directors and ex-employees respectively. As a substantial part of the accounting records is no longer accessible and the ex-directors and ex-employees had left the Company, the Board was unable to locate documentary evidence to verify the accuracy and payments of the directors’ emoluments and employees’ emoluments.

In the absence of sufficient appropriate audit evidence, we were unable to ascertain the existence, accuracy and completeness of the directors’ emoluments of HK\$2,919,000 and an amount of HK\$1,336,000 as included in the employees’ emoluments of HK\$2,782,000 for the year ended 31 December 2014 as disclosed in note 15 to the consolidated financial statements.

21. Incomplete books and records and the Board's representations

As disclosed in note 2(e) to the consolidated financial statements, the Board began to take over the control of the Company and its subsidiaries from 20 May 2016. As the Board was not appointed until 20 May 2016, the Board could not ensure whether the accounting books and records of the Group had been properly maintained for the years ended 31 December 2013 and 2014. Together with the facts that the consolidated financial statements were prepared based on incomplete books and records, the Board was also unable to confirm that the consolidated financial statements comply with HKFRSs, or that the disclosure requirements of the Hong Kong Companies Ordinance and the Rules Governing the Listing of Securities on The Stock Exchange of Hong Kong Limited have been complied with.

Accordingly, we have been unable to obtain written representations from the Board that the accounting records were properly maintained, the consolidated financial statements complied with HKFRSs, the disclosure requirements of the Hong Kong Companies Ordinance and the Rules Governing the Listing of Securities on The Stock Exchange of Hong Kong Limited throughout the two years ended 31 December 2013 and 2014.

The lack of written representations as mentioned above from the Board has called into question the reliability of the financial and other information and documents provided by the management that undermined our ability to rely on the Group's system of internal control to safeguard the proper maintenance of accounting records and documentation. Given these circumstances, there were no practicable audit procedures that we could perform to satisfy ourselves that the information and documents presented to us for the purpose of our audit are complete and accurate in all material respects, or to quantify the extent of adjustments that might be necessary in respect of the Group's consolidated financial statements for the year ended 31 December 2014, including the corresponding figures and the opening balances as at 1 January 2014.

22. Unknown bank transactions

As disclosed in note 30(b)(i) to the consolidated financial statements, the Board noted that there were two bank payments of US\$1,400,000 (equivalent to HK\$10,845,000) and US\$1,239,000 (equivalent to HK\$9,600,000) credited to a bank account (the “MY Bank Account”) of a subsidiary namely, Ming Yuan Property Management Limited (“MY Property”) on 31 March 2014 and 1 April 2014 respectively. The funds were made by two companies unknown to the Board. On 1 April 2014, there was a fund transfer of HK\$20,000,000 from the MY Bank Account to a company which is also unknown to the Board. On 3 May 2014, there was a withdrawal of HK\$400,000 in form of a cash cheque. All these transactions were recorded by MY Property in the current account with the Company and subsequently through the current account with Ming Yuan Investments Group Limited and finally transferred to the current account with SHMY Biochip. The Board was unable to find out the nature and purpose of these bank transactions nor the relationship of these parties with the Group.

In the absence of sufficient appropriate audit evidence, we were unable to ascertain the purpose, nature and commercial substance of the bank transactions and there were no other satisfactory audit procedures that we could adopt to satisfy ourselves that the recording of the above transactions in various current accounts were properly accounted for and disclosed.

23. Amounts due from subsidiaries

As at 31 December 2014, included in the statement of financial position of the Company as disclosed in note 42 to the consolidated financial statements are amounts due from subsidiaries of HK\$146,518,000. Due to the scope limitations as detailed in paragraphs 1 to 22 above, we have not been able to satisfy ourselves as to the fairness of the amounts carried as amounts due from subsidiaries in the statement of financial position of the Company or to determine whether any provision for impairment loss is necessary as at 31 December 2014. Any adjustments that might have been found to be necessary in respect of the above would have a consequential effect on the net assets of the Company as at 31 December 2014.

Disclaimer of opinion

Because of the significance of the matters described in the basis for disclaimer of opinion paragraphs, we have not been able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion. Accordingly, we do not express an opinion on the consolidated financial statements as to whether they give a true and fair view of the state of affairs of the Group as at 31 December 2014 and of the Group's loss and cash flows for the year then ended in accordance with Hong Kong Financial Reporting Standards and as to whether the consolidated financial statements have been properly prepared in accordance with the disclosure requirements of the Hong Kong Companies Ordinance.

Emphasis of matter

We draw attention to note 2(g) to the consolidated financial statements which indicates that the Group incurred a loss of HK\$868,182,000 for the year ended 31 December 2014 and based on management accounts, the Group was still operating at a loss up to the date of approval of these consolidated financial statements. The Group's ability to continue as a going concern is dependent on the ongoing availability of finance to the Group, including financial support from a substantial shareholder who is also the Chairman and a director of the Company. If the finance is not available, the Group would be unable to meet its financial obligations as and when they fall due. These conditions, along with other matters as set forth in note 2(g) to the consolidated financial statements, indicate the existence of a material uncertainty which may cast significant doubt about the Group's ability to continue as a going concern. Our opinion is not modified in respect of this matter.

DIRECTORS' VIEW ON AUDITORS' BASIS FOR DISCLAIMER OF OPINION

In relation to the missing fund of RMB420 Million

The findings of the Forensic Investigation Report are well acknowledged by the Board. The Board will endeavor to take all necessary actions to recover the said missing fund of RMB420 million if and after the Company has regained access to and control of the Shanghai Subsidiaries.

1. Loss arising from Shanghai Subsidiaries

The Board has been making vigorous attempts to take control over the two major subsidiaries, Shanghai HealthDigit and SHMY Biochip, and their subsidiaries (the “Shanghai Subsidiaries”) and so far is not able to do so. The following steps have been taken:

- a. On 12 August 2016, the legal representatives and the old board of SHMY Biochip and Shanghai HealthDigit were removed by way of shareholder resolutions.
- b. On 9 September 2016, the senior management and the director of the board of HD Global, being the holding company of SHMY Biochip and Shanghai HealthDigit, in the company of a lawyer in Shanghai, a local lawyer from the Feng Xian district (奉賢區) and security guards, entered into the premises of SHMY Biochip and Shanghai HealthDigit at 699 Hui Feng Bei Lu, Fengxian Qu, Shanghai (上海市奉賢區奉賢現代農業園區匯豐北路699號). The group later met with Mr. Zhou Li Qun (周立群), the former executive director of the Company and then current managing director of the two companies. Mr. Zhou refused to surrender the seals and the original licence certificates of the two companies. Mr. Zhou further informed the group that he would only act on the instructions by Mr. Yao Yuan (the former chairman of the Company).
- c. Advertisement on two newspapers in Shanghai was placed on 19 September 2016 in order to report to the public about the refusal by the old management of the two companies to surrender the three licenses and company seals.
- d. Lawyer in Shanghai for the Company informally approached the Shanghai Administration of Industry and Commerce (“SHAIC”) with a view to changing the official records of the new legal representatives and board members of the two companies but was refused. SHAIC advised that it would require a court’s order to do so.

- e. Respectively on 3 November 2016 and 8 November 2016, the lawyer in Shanghai acted on instructions by the Company issued two civil complaints against Mr. Yao Yuan and Mr. Iu Chung, being the legal representatives of SHMY Biochip and Shanghai HealthDigit respectively seeking the PRC court's order for the return of the seals and the original licence certificates. As the Board was unable to gain control of SHMY Biochip and Shanghai HealthDigit, the Company had no other alternatives but to resort to commencing civil actions for the purpose of regaining access and control of SHMY Biochip and Shanghai HealthDigit. Upon the issuance of the two civil complaints against Mr. Yao Yuan and Mr. Iu Chung, the Board considered that the Group lost access and control over SHMY Biochip since 3 November 2016 and over Shanghai HealthDigit since 8 November 2016 respectively.
- f. The judgment made in the civil complaint by SHMY Biochip was handed down on 28 September 2017 ("the 28/9/17 Judgment") which was against the Company. The Company then made an appeal against the 28/9/17 Judgment but was unsuccessful. The appeal court upheld the 28/9/17 Judgment.
- g. In relation to the civil complaint made by Shanghai HealthDigit, Mr. Iu was ordered to surrender the company seals of Shanghai HealthDigit and its business licenses by a judgment handed down on 20 October 2017 ("the 20/10/17 Judgment"). Mr. Iu made an appeal on 2 April 2018 against the 20/10/17 Judgment. On 30 August 2018, the appeal court revoked the 20/10/17 Judgment on the basis that there was no evidence that the relevant instruments were in Mr. Iu's possession ("the 30/8/18 Judgment").
- h. After the Company had considered the legal opinion of its PRC lawyer, it decided not to appeal against the judgments, namely the 28/9/17 Judgment and the 30/8/18 Judgment, in respect of the two civil complaints delivered by the appeal courts.
- i. On 28 February 2018, Chairman Mr. Lam Ping Cheung, on behalf of the Company, wrote to the Liaison Office of the Central People's Government in the Hong Kong Special Administrative Region (the "Liaison Office") to seek the Liaison Office's assistance in re-gaining control of SHMY Biochip and Shanghai HealthDigit.
- j. From March 2018 to October 2018, officers of SHAIC had several meetings with the Company's PRC lawyer concerning the registration of change of legal representative, the reported loss of the business licenses and company seals and the re-issuance of the same. The PRC lawyer had fulfilled the relevant requirements as informed by an officer of SHAIC.

- k. Prior to the re-issuance of the business licenses and company seals, some staff members of SHMY Biochip and Shanghai HealthDigit had informed SHAIC that the business licenses and company seals were in their possession. As such, SHAIC was unable to treat the business licenses and company seals as lost properties and to re-issue the same to the new management. Having considered the advice from the PRC lawyer, the Company decided not to issue civil complaints against such staff members for the recovery of the business licenses and company seals in order to avoid endless lawsuit.
- l. Having considered further advice from the PRC lawyer, the Company decided to apply for retrial of the civil claims against Mr. Yao Yuan and Mr. Iu Chung for the recovery of the business licenses and company seals.

Due to the aforesaid-mentioned reasons, the Board has been unable to access the accounting books and records of the Shanghai Subsidiaries to, amongst other things, prepare the consolidated financial statements for the year ended 31 December 2014 and therefore the Shanghai Subsidiaries were accounted for as available-for-sales investments and the balances relating to the Shanghai Subsidiaries brought forward from 31 December 2013 were also charged to the consolidated statement of profit or loss and other comprehensive income for the year ended 31 December 2014.

2. *Opening balances and comparative figures*

On 21 May 2016, when the representatives of the Board attended the Company's registered principal place of business to complete the take over procedures, it was discovered that 8 internal hard disk drives of the company's computer sets had been removed and corporate documents and accounting books and records were found missing. According to staff members of the Company, the missing internal hard disk drives contained material data of the Company. The Company had reported the case to the Police and had assisted in their investigation.

The Company had requested Deloitte, the former auditor, to provide copies of all the accounting books and records of the Company in their possession but the documents provided so far were very limited.

For the aforesaid reasons, the Board were unable to confirm the opening balances and comparative figures.

The current management will ensure proper storage and safe-keeping of the accounting books and records as far as those companies under its control are concerned.

3. *Revenue*

- a) The Board noted the lack of sufficient supporting documents for the auditor to ascertain the existence and accuracy of the revenue recognized by the Company.
- b) On the basis of a comprehensive presentation made by the management of both the Company as well as Genetel Shenzhen, the Board has been aware of the fact that Genetel Shenzhen's current business model has been adopted since the Company's take over from 2009 and has been in full compliance with local PRC law and tax regulations. The Board is also aware of the fact that prior to the change of legal representatives of Genetel Shenzhen in mid 2018, the former management of Genetel Shenzhen has failed to provide sufficient supporting documents of the inter-related transactions in relation to all sales, technical service fees and receipts in advance, thus leading to the auditors' disclaimer opinion under paragraph 3 on "Revenue", under paragraph 11 on "Receipts in advance" and under paragraph 13 on "Technical service fees".

The Board considers that full compliance with local PRC laws and regulations to ensure the smooth continuation and possible further development of our HPV DNA testing kits business carried in Genetel Shenzhen is the prime and fundamental business of the Group, hence drastic change(s) to the current business practices which has limited the ability of Genetel Shenzhen to provide totally satisfactory and sufficient supporting documents may not be advisable in order to achieve the optimal economic benefits for the Company and shareholders. However, the management will still strive to seek for further professional advices from PRC lawyers and tax consultants to investigate into all PRC legally viable rectification solutions to resolve the above-mentioned limitations in the Sales revenue, Receipts in advance and Technical service fees recognition aspects going forward.

- c) Since the take-over by the Board, the Company has engaged FTI Consulting (Hong Kong) Limited ("FTI Consulting") to conduct a review on the Company's financial reporting procedures and internal control systems and an internal control review report was issued by FTI Consulting in July 2018. The management had noted the control deficiencies in the Sales and Receipt Cycle of Genetel Shenzhen and relevant policies had been implemented progressively in response to the FTI's recommendation.

4. *Other intangible assets, property, plant and equipment and impairment on other intangible assets property, plant and equipment*

The Board noted the lack of supporting documents to prepare valuation report as to the intangible assets. Going forward the Board will ensure that the Company will appoint independent third party valuer to provide valuation in case of future acquisition.

In relation to the Cash Generating Unit, regular cash flow forecast has been prepared and reviewed by the management to ensure that any indication of possible impairment loss can be timely identified and addressed.

5. *Investments in a joint venture*

The joint venture was held by the Shanghai Subsidiaries. As stated in paragraph 1, the Group lost control over the Shanghai Subsidiaries, therefore, the Group was also unable to gain access to the books and records of the joint venture for accounting purpose.

6. *Investments in an associate*

The associate was held by the Shanghai Subsidiaries. As stated in paragraph 1, the Group lost control over the Shanghai Subsidiaries, therefore, the Group was also unable to gain access to the books and records of the associate for accounting purpose.

7. *Loan receivable and loan interest income*

It is noted that there was loan receivable and loan interest income before the Board took control of the Company. The Board has impaired such loan receivable and loan interest income in the year of 2014 as such loans could not be recovered. The Board's view is that it will endeavor to pursue the recovery of such loans after the relevant information and documents have been obtained.

8. *Inventories*

The Board noted the fact that insufficient inventory records had been maintained by Genetel Shenzhen for certain period during the year of 2014 for auditors to perform inventory roll-back procedures. The former management had already maintained sufficient inventory records in the second half of 2014, therefore, there was no such audit qualification in 2015.

9. Trade receivables

The Board's view under paragraph 3b above is repeated. The management noted that there was no satisfactory confirmation reply from the majority of the End Users in relation to the outstanding trade receivables.

Going forward the management will use its endeavor to make reconciliation with the End Users on a regular basis to ensure that any possible deviations on record between parties can be identified and addressed on a timely manner.

10. Other receivables

After the Board took control of the Company, it was noted that there were other receivables in the sum of HK\$3,759,000 brought forward from 2013 which had been outstanding in the books of Genetel Shenzhen for many years. The staff members concerned had left long ago and limited information was kept about these receivables. The Board will use reasonable endeavor to contact the relevant party(ies) to chase for the same in order to clear off the said receivables.

11. Other payables

It was noted that there were other payables in an amount of HK\$4,010,000 due to a company called “香港港龍科技有限公司” recorded in the books of Genetel Shenzhen. The new management noted that the staff members concerned had left and no information was available to show why Genetel Shenzhen owed the said amount to such company. After conducting the company searches in Hong Kong and the PRC, there was no record in relation to such company. The Board will seek an advice from the PRC lawyer in relation to such amount, if necessary.

12. Receipts in advance

The Board acknowledged that the basis of the auditors' disclaimer opinion under “Receipts in advance” is inter-related to the discussions made in paragraph 3b above and will use best endeavor to seek for a feasible solution under the current business model of Genetel Shenzhen.

13. *Income tax, income tax payable and deferred tax liabilities*

The Board noted the lack of supporting documents for the auditors to ascertain the completeness and accuracy of the income tax credit, income tax payable and deferred tax liabilities.

In relation to the lack of information regarding the Shanghai Subsidiaries, the Board repeated its view under paragraph 1 above.

14. *Technical service fee*

The Board acknowledged that the basis of the auditors' disclaimer opinion under "Receipts in advance" is inter-related to the discussions made in paragraph 3b above and will use best endeavor to seek for a feasible solution under the current business model of Genetel Shenzhen.

15. *Payments made to ex-directors and Mr. Iu Chung*

The Board had no information to ascertain the purpose, substance and nature of the payments made to Mr. Iu Chung and ex-directors, Mr. Yao Yuan, and Mr. Chien Hoe Yong, Henry, and had therefore tried to make enquiry with Mr. Yao. Up to the date of this report, the Company is unable to obtain any response from Mr. Yao. The Board will keep shareholders informed on the progress from time to time.

16. *Write back of an amount due to an ex-director*

As the legal proceedings commenced by Mr Chien in HCA1837/2014 was dismissed with no order as costs on 27 October 2016, the Board considered that Mr Chien had no merit nor any justification to claim the Company at the outset. Therefore, the Company did not owe Mr Chien the alleged amount back in 2014 and considered the write back of the alleged amount appropriate.

17. *Impairment loss on amount due from an ex-director*

The Board considered that the amount due from Mr. Chien Hoe Yong would not be recoverable and therefore, an impairment was made to the amount due from Mr. Chien. The Board could not identify the purpose, substance and the nature of the payment made to Mr. Chien and considered it not feasible to commence legal action against Mr. Chien for the recovery of such amount.

18. *Impairment loss on amount due from a related company*

The Board considered that the amount due from a related company would not be recoverable and therefore, an impairment was made to the amount due from 上海銘源實業. The Board noted that there was no documentation to confirm the nature and existence of the amount due from 上海銘源實業 and considered it not feasible to commence legal action against 上海銘源實業 for the recovery of such amount.

19. *Litigation and contingent liabilities*

The Board noted the lack of information for the auditor to ascertain the completeness and accuracy of the disclosure regarding the litigations and contingent liabilities of the Group.

The Board will use best endeavor to obtain relevant information on all outstanding litigations and keep the shareholders informed in due course.

20. *Directors' and chief executive's and employees' emoluments*

The Board noted the lack of information due to missing records in relation to the ex-directors' and ex-employees' emoluments. All those ex-directors and ex-employees had left the Company. The Company will endeavor to maintain proper records in relation to the directors' and employees' remuneration.

21. *Incomplete books and records and the Board's representations*

The Board is of the view that they are not in the position to provide written representation that the accounting records were properly maintained for the financial period before the Board was elected on 20 May 2016.

Subsequent to their appointment, the Board has closely worked with the management to ensure that proper accounting books and records have been maintained and safeguarded.

22. *Unknown bank transactions*

Due to missing documentations, the Board noted the lack of information to ascertain the purpose, nature and commercial substance of the bank transactions.

23. *Amounts due from subsidiaries*

The Board will closely monitor the financial position and performance of the subsidiaries in order to consider if any impairments on the amounts due from subsidiaries is required.

By Order of the Board
Mingyuan Medicare Development Company Limited
LAM Ping Cheung
Chairman

Hong Kong, 18 June 2019

As at the date of this announcement, the Board comprises (i) Mr. Lam Ping Cheung and Mr. Hui Yip Wing as executive Directors and (ii) Ms. Chan Mee Sze, Mr. Lam Suk Ping, Ms. Fan Stephanie Winnie and Mr. Cheung Chi Ming as independent non-executive Directors.

SELECTED NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS

For the year ended 31 December 2014

2. BASIS OF PRESENTATION

a) Suspension of trading in shares of the Company

At the request of the Company, trading in the shares of the Company has been suspended since 1 April 2015 as the Company was unable to publish annual results for the year ended 31 December 2014 by 31 March 2015. In addition, the Securities and Futures Commission (the “SFC”) has directed the Stock Exchange to suspend all dealings in the shares of the Company commencing from 23 October 2017 under Rule 8(1) of the Securities and Futures (Stock Market Listing) Rules (“SMLR”).

The Company received a letter dated 4 October 2017 from the SFC which set out the SFC’s concern about the Company’s annual results announcement and annual report for the year ended 31 December 2013 and the interim results and interim report for the six months ended 30 June 2014 and that certain bank statements and bank transfer documents provided by the Company contained materially false, incomplete or misleading information. The SFC suggested that the bank statements and bank transfer documents provided by the Company were forged. The Company has still to assess the impact of the SFC’s direction under Rule 8(1) of SMLR and will seek legal advice accordingly.

b) Comparative information

The comparative figures disclosed in the consolidated financial statements are based on the audited consolidated financial statements for the year ended 31 December 2013. The predecessor auditor expressed an unmodified audit opinion on the consolidated financial statements for the year ended 31 December 2013. However, in view of (i) the findings of the SFC as set out in note 2(a) above, (ii) the issues as set out in note 2(e) and 2(f) below which relating to the consolidated financial statements of the Group for the previous years and (iii) incomplete books and records, the board of directors of the Company since 20 May 2016 (the “Board”) believed that it was not practical, if not impossible, to verify the financial information as reported in the consolidated financial statements of the Group for the year ended 31 December 2013 and past years. The Board was of the view that the comparative financial information disclosed in these consolidated financial statements may contain errors and omissions and not be reliable. The consolidated financial statements for the year ended 31 December 2013 therefore might not comply with the Hong Kong Financial Reporting Standards, or the disclosure requirements of the Hong Kong Companies Ordinance and the Rules Governing the Listing of Securities of The Stock Exchange of Hong Kong Limited. The comparative financial information has not been adjusted or reclassified on a basis consistent with that of the current year and therefore may not be comparable and any adjustments to the opening balances as at 1 January 2014 would have significant consequential effect on the financial performance of the Group for the year ended 31 December 2014 and/or the financial position of the Group as at 31 December 2014.

c) Removal of a director Mr. Zhao Chao

Since the end of December 2014, the Group was unable to contact Mr. Zhao Chao (“Mr. Zhao”), a former executive director of the Company who was responsible for overseeing the operation of the medical centres management division of the Group. On 2 March 2015, Mr. Zhao had been arrested by the People’s Procuratorate of Binhai New Area, Tianjin (天津市濱海新區人民檢察院) (the “PPT”) in relation to a bribery criminal charge. Mr. Zhao was further detained by the PPT on a detention order dated 16 March 2015 on corruption charges. A bail order dated 14 April 2015 was issued to Mr. Zhao pending trial. On 5 June 2015, Mr. Zhao was removed as director by the board of directors for reasons of Mr. Zhao’s failure of reporting his detention and arrest by the PPT on bribery and corruption related charges. On 9 June 2015, the Company and the ex-directors namely Mr. Yao Yuan, Mr. Yu Ti Jun, Mr. Yao Liang and Mr. Yang Chun Bao received an originating summons issued by the Court of the First Instance of the High Court of Hong Kong (the “HK High Court”) pursuant to which Mr. Zhao sought the removal of him from his office as executive director be set aside and to reinstate Mr. Zhao as executive director. On 22 March 2016, the High Court of HKSAR issued a judgment pursuant to which the application from Mr. Zhao was dismissed. Mr. Zhao was the legal representative of 天津紅鬃馬醫院投資管理有限公司, a joint venture of the Group as stated in note 22.

d) Unresolved Matter identified by the predecessor auditor

During the audit in respect of the financial year ended 31 December 2014, Deloitte Touche Tohmatsu, the predecessor auditor (the “Predecessor Auditor”) of the Company visited a bank in the PRC to confirm a bank account balance of RMB420,245,000 (equivalent to HK\$525,044,000). However, the Predecessor Auditor was told by the bank staff that the bank account belonged to an individual instead of the Company’s subsidiary SHMY HealthDigit Biochips Company Limited (“SHMY Biochip”) and the bank account was opened in a branch elsewhere (the “Unresolved Matter”). The findings call into question the validity of the bank account with a balance totaling RMB420,245,000 as at 31 December 2014 and the underlying transactions. The Predecessor Auditor reported the Unresolved Matter to the then board of directors and audit committee and recommended that an independent forensic investigation be undertaken to address the Unresolved Matter. On 6 October 2015, an independent board committee (the “IBC”) comprising two of the independent non-executive directors of the Company was established to conduct an investigation on the Unresolved Matter. However, no independent forensic investigation was conducted. On 21 December 2015, the Predecessor Auditor resigned with the reason that the Company failed to undertake an independent forensic investigation in respect of the Unresolved Matter. The then management was replaced by the Board on 20 May 2016. After the change of directors on 20 May 2016 as stated in note 2(e) to the consolidated financial statements, a new IBC was formed. On 3 June 2016 Control Risks Pacific Limited (the “Independent Forensic Investigator”) was engaged to conduct a forensic investigation on the Unresolved Matter.

The Independent Forensic Investigator has confirmed that the bank confirmation produced by the then management to the Predecessor Auditor of the Company was forged and that SHMY Biochip did not and does not hold the bank account. Up to the date of approval of these consolidated financial statements, the Unresolved Matter remains outstanding as the Company was unable to gain access to the accounting and banking records of SHMY Biochip and thus, the Independent Forensic Investigator was unable to conduct further investigations.

The Board noted that the bank balances of RMB420,245,000 included an amount of RMB396,000,000 which was allegedly recovered from an unrelated entity in the PRC. The details are set out in note 2(f)(iii).

e) Matters subsequent to the change in directors on 20 May 2016

As at 19 May 2016, the Company has 7 directors (the “ex-directors”) with Mr. Yao Yuan as the Chairman of the board. Pursuant to the resolution passed at the annual general meeting of the Company held on 20 May 2016, Mr. Yao Yuan and Mr. Yu Ti Jun were removed as executive director and non-executive director respectively and the remaining one executive and four independent non-executive directors retired from the board of the Company and 7 new directors were appointed.

Since 20 May 2016, the Board began to take over the control of the Company and its subsidiaries from the ex-directors. As at the date of approval of these consolidated financial statements, the Board has successfully taken over the control of the Company and its subsidiaries, with the following exceptions:

i) 上海銘源數康生物芯片有限公司 *SHMY HealthDigit Biochips Company Limited* (“SHMY Biochip”) and its subsidiary

On 12 August 2016, HD Global Limited removed the former directors and legal representative of SHMY Biochip and appointed new directors and a legal representative by way of a shareholder’s resolution. However, the Board is still unable to gain access to the premises of SHMY Biochip. In early November 2016, the Company issued civil claims against Mr. Yao Yuan, being the registered legal representative of SHMY Biochip for the return of the company seals and business licenses of SHMY Biochip. The Company lost the lawsuit and the appeal against such judgement was unsuccessful. At present, the Board is unable to gain access to the premises of SHMY Biochip. The Company under the advice of its PRC lawyer, reported the loss of the company seals and business licenses and to apply for the issuance of new company seals and business licenses of SHMY. Although the Group was able to obtain agreement from Mr. Yao Yuan to co-operate to change the legal representative of Genetel Shenzhen from Mr. Yao Yuan to a person nominated by the Board in May 2018, the Board was unable to obtain the signature from Mr. Yao Yuan to change the legal representative of SHMY Biochip. On 28 February 2018, Chairman Mr. Lam Ping Cheung, on behalf of the Company, wrote to the Liaison Office of the Central People’s Government in the Hong Kong Special Administrative Region (the “Liaison Office”) to seek the Liaison Office’s assistance

in re-gaining control of SHMY Biochip. From March 2018 to October 2018, officers of the Shanghai Administration for Industry & Commerce (“SHAIC”) had several meetings with the Company’s PRC lawyer concerning the registration of change of legal representative, the reported loss of the business licenses and company seals and the re-issuance of the same. The PRC lawyer had fulfilled the relevant requirements as informed by an official of the Registration Division of Foreign Invested Enterprises of SHAIC. Prior to the re-issuance of the business licenses and company seals, some staff members of SHMY Biochip had informed SHAIC that the business licenses and company seals were in their possession. As such, SHAIC was unable to treat the business licenses and company seals as loss properties and to re-issue the same to the new management. Having considered further advice from the PRC lawyer, the Company decided to apply for retrial of the civil claims against Mr. Yao Yuan for the recovery of the business licenses and company seals. As at the date of approval of these consolidated financial statements, Mr. Yao Yuan remained the registered legal representative of SHMY Biochip. In these circumstances, the Board was unable to take control over the management and operations of SHMY Biochip and its subsidiary.

ii) *上海數康生物科技有限公司 Shanghai HealthDigit Co., Ltd (“Shanghai HealthDigit”) and its subsidiaries*

On 12 August 2016, HD Global removed the former directors and legal representative of Shanghai HealthDigit and appointed new directors and a legal representative by way of a shareholders’ resolution. However, the Board is still unable of gain access to the premises of Shanghai HealthDigit. In early November 2016, the Company issued civil claims against Mr. Iu Chung, being the registered legal representative of Shanghai HealthDigit for the return of the company seals and business licenses of Shanghai HealthDigit. The Shanghai Xu Hui People’s Court ruled in favour of Shanghai HealthDigit and Mr. Iu Chung was ordered to surrender the company seals and the business licenses within 10 days from the date when the judgment took effect (that was, 8 March 2018). The Company was later informed by its lawyer in the PRC that Mr. Iu Chung filed an appeal in respect of the judgment made by the Shanghai Xu Hui People’s Court. On 30 August 2018, the appeal was successful and the appeal court revoked the judgment made by lower court. On 28 February 2018, Chairman Mr. Lam Ping Cheung, on behalf of the Company, wrote to the Liaison Office of the Central People’s Government in the Hong Kong Special Administrative Region to seek the Liaison Office’s assistance in re-gaining control of Shanghai HealthDigit. From March 2018 to October 2018, officers of SHAIC had several meetings with the Company’s PRC lawyer concerning the registration of change of legal representative, the reported loss of the business licenses and company seals and the re-issuance of the same. The PRC lawyer had fulfilled the relevant requirements as informed by an official of the Registration Division of Foreign Invested Enterprises of SHAIC. Prior to the re-issuance of the business licenses and company seals, some staff members of Shanghai HealthDigit had informed SHAIC that the business licenses and company seals were in their possession. As such, SHAIC was unable to treat the business licenses and company seals as loss properties and to re-issue the same to the new management. Having considered further advice from the PRC lawyer, the Company decided to apply for retrial of the civil claims

against Mr. Iu Chung for the recovery of the business licenses and company seals. As at the date of approval of these consolidated financial statements, Mr. Iu Chung remained the registered legal representative of Shanghai HealthDigit. In addition, the Board was unable to gain access to the premises of Shanghai HealthDigit. In these circumstances, the Board was unable to take control over the management and operations of Shanghai HealthDigit.

Given the above circumstances, the Board was unable to take control over the management and operations of SHMY Biochip and Shanghai HealthDigit and their subsidiaries (together the “Shanghai Subsidiaries”) nor direct relevant activities of the Shanghai Subsidiaries which significantly affected the Shanghai Subsidiaries’ return and could not and to gain access to the premises, assets and accounting books and records of the Shanghai Subsidiaries. The Board considered that the control over the Shanghai Subsidiaries was lost.

In the absence of relevant books and records of the Shanghai Subsidiaries, the Board has no information to consolidate the financial statements of the Shanghai Subsidiaries into these consolidated financial statements and the financial statements of the Shanghai Subsidiaries were derecognised from these consolidated financial statements.

The Board of the Company acknowledged that it is the responsibility of the directors to prepare consolidated financial statements that give a true and fair view in accordance with Hong Kong Financial Reporting Standards (the “HKFRSs”) issued by the Hong Kong Institute of Certified Public Accountants (the “HKICPA”). However, prior to their appointments, the Company’s hard drives in the computers in its Hong Kong office had been removed and its banking documents taken away, as a result of which its computer records including details of all bank transactions were no longer accessible. A substantial part of the accounting and computer records of the Company and its subsidiaries, which was contained in the hard drives, is also no longer accessible. The Company reported the matter to the Hong Kong police. The Board of the Company can only prepare the consolidated financial statements of the Company for the year ended 31 December 2014 based on the books and records made available to them. As the Board was not appointed until 20 May 2016, the Board could not ensure whether the accounting books and records of the Group had been properly maintained for the years ended 31 December 2014 and 2013.

As a result, the consolidated financial statements for the year ended 31 December 2014 have been prepared based on incomplete records and since no financial information of the Shanghai Subsidiaries was made available, the financial performance and financial position of the Shanghai Subsidiaries were not consolidated into these consolidated financial statements. The Board considered that the balances relating to the Shanghai Subsidiaries brought forward from 31 December 2013 should be derecognised and therefore the financial effects were charged to the consolidated statement of profit or loss and other comprehensive income for the year ended 31 December 2014, the details of which are set out in note 43.

Any adjustments arising from the matters described above would have a consequential significant effect on the loss of the Group for the year ended 31 December 2014 and net assets of the Group as at 31 December 2014.

Due to the limited financial information available and as most of the former key accounting personnel of the Group had left, the Board was unable to obtain sufficient documentary information to satisfy itself regarding the validity and completeness of the Group's books and records and the appropriateness of the treatment of various balances as included in the consolidated financial statements for the years ended 31 December 2013 and 2014.

As the consolidated financial statements have been prepared based on incomplete books and records, the Board is unable to represent that proper accounting books and records have been maintained for the years ended 31 December 2013 and 2014, or whether all transactions entered into by the Group for the years ended 31 December 2013 and 2014 have been properly reflected in the consolidated financial statements. The Board is also unable to represent as to the completeness, existence and accuracy of information contained in and the disclosures of the consolidated financial statements in accordance with the HKFRSs, the disclosure requirements of the Hong Kong Companies Ordinance and the Listing Rules.

Genetel Shenzhen adopted "Accounting Standards for Business Enterprises" in the preparation of its financial statements. Although the Standards were in line with "The Accounting Law of the People's Republic of China," and were accepted by The Ministry of Finance, they were not in total compliance with the disclosure requirements of the HKFRSs. As certain records had not been kept by Genetel Shenzhen, the Board could not locate all the necessary documents and information to compile the financial statements in accordance with the HKFRSs.

f) Irregularities identified by the Board

Since the Board took over the control of the Group, the Board identified the following questionable transactions in previous years.

i) *Shanghai Yuanqi Acquisition and loss of 70% equity interest in Shanghai Yuanqi*

On 5 August 2011, the Company announced the acquisition of 70% equity interest in a company, 上海源奇生物醫藥科技有限公司 (Shanghai Yuanqi Bio-Pharmaceutical Company Limited) ("Shanghai Yuanqi") in the PRC by a wholly-owned subsidiary, SHMY Biochip for a consideration of RMB354,000,000, of which RMB225,000,000 was to be paid in cash and the remaining balance of RMB129,000,000 to be satisfied by the issue of 326,871,967 new shares of the Company at HK\$0.478 per share as consideration shares (the "Acquisition Announcement").

In the Acquisition Announcement, the 70% equity interest of Shanghai Yuanqi was alleged to have been sold by Mr. Yan Rong Rong ("Yan") as to 51% and Madam Xiong Hui ("Xiong") as to 19% to SHMY Biochip.

On 18 May 2015, Xiong commenced a civil complaint at the People’s Court of Feng Xian District, City of Shanghai, the PRC. The civil complaint of Xiong and a search of the documents kept at the Administration of Industry and Commerce revealed that:

- (a) A different Equity Transfer Agreement to what the Company announced was entered into on the same day of 5 August 2011 between SHMY Biochip, Yan and Xiong whereas the total consideration for the 70% equity interest of Shanghai Yuanqi was agreed at RMB354,000,000 represented by the issuance of 896,997,491 shares of the Company of which 243,470,711 shares were to be issued to Xiong to satisfy the payment for her 19% equity interest in Shanghai Yuanqi. No cash was required to be paid by SHMY Biochip to either Yan or Xiong. At the material times, Mr. Iu Chung (“Iu”), the brother of the then chairman of the board Mr. Yao Yuan (“Yao”), was the legal representative of SHMY Biochip.
- (b) By an agreement dated 18 March 2014 between SHMY Biochip and Xiong wherein it was agreed that SHMY Biochip would pay Xiong RMB60 million to settle the unpaid consideration shares for her 19% interest before 30 August 2014.
- (c) On the same day of 18 March 2014, a Debt Convert-to-Shares Agreement was entered into between SHMY Biochip and Xiong wherein SHMY Biochip acknowledged the debt of RMB60 million owed to Xiong and agreed to transfer all the 70% equity interest in Shanghai Yuanqi to Xiong if the debt was not paid.
- (d) SHMY Biochip did not pay the debt to Xiong and Xiong commenced the civil complaint to enforce her alleged right under the Debt Convert-to-Shares Agreement. In the statement of civil complaint dated 18 May 2015 issued by Xiong, it was stated that SHMY Biochip only gave Xiong a confirmation of entitlement to 88,722,391 shares in the Company on 21 December 2011 (as opposed to the actual delivery of the shares). The balance of 154,748,333 shares had never been issued to Xiong.

According to the records in the Administration of Industry and Commerce, the 70% equity interest in Shanghai Yuanqi owned by SHMY Biochip was transferred to Xiong by agreement between SHMY Biochip and Xiong on 18 February 2016. As a result, the Group lost its 70% equity interest in Shanghai Yuanqi.

Findings by the Board

Shortly before the acquisition, Yan’s 51% interest in Shanghai Yuanqi was acquired from a person called Mr. Zhu Cong Zhen (朱從真) (“Zhu”) for RMB1.02 million on 21 June 2011. When Yan sold his 51% interest, the Company paid cash RMB163,928,571 and issued 238,149,576 consideration shares of the Company at HK\$0.478 per share. The Equity Transfer Agreement produced by Xiong, to which Yan was a party, suggests that no cash payment was to be paid to Yan.

At all material times, Zhu and Xiong were directors of Shanghai Yuanqi.

The then management of the Company had not disclosed to the shareholders the connected relationship of Zhu and Xiong and that Yan only acquired the 51% equity interest from Zhu, less than 2 months ago at the price of RMB1.02 million.

Further enquiry with the branch share registrar of the Company in Hong Kong has confirmed the issuance of a total of 238,149,576 shares of the Company to Yan and 88,722,391 shares to Xiong on 23 December 2011 as consideration shares pursuant to the terms of the acquisition as mentioned in the Acquisition Announcement.

The consideration shares issued to Yan exceeded 5% of the then total issued capital of the Company and Yan was required to disclose his interest to the Hong Kong Stock Exchange and the Company according to the SFO. But Yan had not done so. There is no evidence available to the existing directors that the consideration shares were actually delivered to Yan and Xiong, albeit they were issued in their names. Records show that Yan transferred all his 238,149,576 shares from January 2012 to May 2012 except 50,000,000 shares which are still in Yan's name. Xiong transferred all her 88,722,391 shares in May 2014.

The Board does not have information to confirm the actual payment of the cash consideration of RMB163,928,571 and RMB61,071,429 to Yan and Xiong respectively. In her civil complaint in a PRC court, Xiong claimed the agreement to sell her 19% equity interest was for consideration shares of the Company only and she had only received a confirmation as to her entitlement to 88,722,391 shares as opposed to the actual shares. The loss of Shanghai Yuanqi's interest had a significant impact on the net asset of the Company.

ii) *Disposal of Shanghai Weiyi Hospital Investment and Management Limited*

On 19 December 2011 (the "Disposal Announcement"), the then company secretary Mr. Kenny Poon ("Kenny Poon") announced on behalf of the board the disposal of the Groups 51% interest in a PRC subsidiary namely, Shanghai Weiyi Hospital Investment and Management Limited ("Shanghai Weiyi") by its wholly-owned subsidiary, Shanghai HealthDigit Co. Limited ("Shanghai HealthDigit") to a Madam Jiang Yi (蔣毅) ("Jiang") for a consideration of RMB65,000,000. On 4 January 2012, the Company announced the completion of the disposal.

At all material times, Yao was the chairman of board of the Company and his brother Iu was the legal representative of Shanghai HealthDigit.

On 25 April 2014, more than two years after the completion of the disposal, the Company announced that a loan agreement dated 20 December 2011 was entered into between Shanghai HealthDigit and Shanghai Weiyi whereby Shanghai HealthDigit agreed to lend to Shanghai Weiyi RMB85,240,000 for a term of two years ended on 19 December 2013 (the “Loan Announcement”). It was said in the Loan Announcement that Shanghai HealthDigit had subsequently recovered the loan from Shanghai Weiyi.

The Board located a judgment dated 30 July 2013 issued by the Shanghai City First Intermediate People’s Court, the PRC which has revealed different facts from those announced by the Company.

According to the judgement located, the action was brought by 上海銘源實業集團有限公司 Shanghai Mingyuan Enterprises Group Limited (“Shanghai Mingyuan”) as plaintiff and 道格特醫療科技(深圳)有限公司 Dao Ge Te Medical Technology (Shenzhen) Company Limited (“Dao Ge Te”) and 上海天壇普華醫院有限公司 (“Tian Tan”) Shanghai Tian Tan Pu Hwa Hospital Company Limited (“Tian Tan”) as defendants to enforce a share charge of all the Shanghai Weiyi shares (see below). According to the evidence produced by Shanghai Mingyuan at the trial, the following facts were presented:

- (a) By an agreement dated 9 August 2010 (“9 August 2010 agreement”) entered into between Jiang, Mr. Yang Xing (楊興) (“Yang”) and Mr. Tang Hon Ming (唐洪明) (“Tang”) as sellers (the “Sellers”) and Dao Ge Te and 亞太醫療集團有限公司 as purchasers (the “Purchasers”), the Sellers sold all their 100% shares in Shanghai Weiyi to the Purchasers for a consideration of RMB40 million in cash and RMB120 million worth of floating listed company’s shares. The Purchasers designated Dao Ge Te and Tian Tan as the registered owners as to 51% and 49% of the registered capital of Shanghai Weiyi respectively.
- (b) Shanghai Mingyuan was and is a company in PRC owned and controlled by Mr. Yao and Mr. Iu.
- (c) Pursuant to the agreement, cash consideration of RMB40,000,000 was paid on 7 December 2010 in Hong Kong currency by a cheque of HK\$46,790,000 issued by a Hong Kong solicitors firm Messrs Angela Ho & Associates to Ming Yuan Holdings Limited, which was owned and controlled by Mr. Yao and Mr. Iu.
- (d) Completion of the sale took place on 21 December 2010. On 31 December 2010, Dao Ge Te and Tian Tan each executed a share charge on all 100% shares in Shanghai Weiyi in favour of Shanghai Mingyuan for their obligations to pay the balance of consideration of RMB120 million worth of floating listed shares.
- (e) The share charges were registered in January 2011 with the Hong-Kou Branch of the Shanghai Administration of Industry and Commerce.

- (f) Jiang, Yang and Tang held the 100% shares in Shanghai Weiyi for Shanghai Mingyuan as nominee holders.
- (g) After the hearing of the action, Shanghai City First Intermediate People's Court ordered the validity of the share charge which was later confirmed by the Shanghai City Higher People's Court in the appeal by the buyers in 2015.

The evidence Shanghai Mingyuan produced in the hearing of the action contradicted with what the Company announced on 6 July 2006 about the independence of the sellers, namely Tang and Yan from whom the Company acquired the 51% equity interest. All along, Tang and Yang were nominees of the 51% equity interest in Shanghai Weiyi for Shanghai Mingyuan, a company owned by Mr. Yao and Mr. Iu.

Further findings by the Board

Contrary to what the Disposal Announcement of the Company as disclosed, on 8 November 2010, Shanghai HealthDigit transferred all its 51% equity interest in Shanghai Weiyi to Jiang at the price of RMB68,000,000 and the transfer agreement dated the same day of 8 November 2010 between Shanghai HealthDigit and Jiang was filed with the Hong-Kou Branch of the Shanghai Administration of Industry and Commerce.

In fact, by 8 November 2010, Shanghai HealthDigit had transferred the 51% equity interest in Shanghai Weiyi in favour of Jiang, for RMB68,000,000. Jiang was the nominee for Shanghai HealthDigit which in turn was owned by Mr. Yao and Mr. Iu. The cheque in the sum of HK\$46,790,000 issued by the Hong Kong solicitors firm Messrs Angela Ho & Associates, as cash consideration paid by the Purchasers under the 9 August 2010 agreement was paid to Ming Yuan Holdings Limited, a British Virgin Islands company owned and controlled by Mr. Yao and Mr. Iu. Mr. Poon issued an acknowledgment of receipt of the payment on behalf of the Sellers. On the acknowledgement of receipt, Mr. Yao also signed for Shanghai Mingyuan.

At the time of making the Disposal Announcement for the disposal of 51% equity interest in Shanghai Weiyi by Shanghai HealthDigit to Jiang, the Company had already transferred the 51% equity interest to Jiang on 8 November 2010, who subsequently transferred the same to the Dao Ge Te and Tian Tan on 21 December 2010. Mr. Poon acknowledged the receipt of the cash consideration paid by the Purchasers and the recipient of the cheque was a company owned by Mr. Yao and Mr. Iu.

As such, when the Disposal Announcement was made, Mr. Poon and Mr. Yao knew that the contents of the Disposal Announcement were not true.

The existing directors of the Company could not identify any evidence showing that the loan to Shanghai Weiyi in the sum of RMB85.24 million had been paid to Shanghai HealthDigit as announced by the then management in the Loan Announcement.

The purported sale of the 51% interest in Shanghai Weiyi on 19 December 2011 was a fraud, given the fact that the Company had already transferred such interest to Jiang on 8 November 2010.

iii) Foreign Exchange Agreement

During the year ended 31 December 2013, the Group deposited RMB396,000,000 (equivalent to approximately HK\$507,197,000) (the “Payment”) to a company incorporated in Beijing, the PRC namely 北京農龍投資管理有限公司 (Beijing Nong Lang Investment Management Company Limited) (the “Beijing Company”) for certain treasury arrangement. The Payment was made pursuant to an agreement dated 23 December 2013 between the Beijing Company and SHMY Biochip pursuant to which the Beijing Company agreed to exchange the Payment into Hong Kong dollars in Hong Kong within three months, at an agreed exchange rate and subject to a service charge by the Beijing Company, and convert the Payment into Hong Kong dollars to the Company on or before 22 March 2014. If the Beijing Company was unable to effect the conversion, the Beijing Company would refund the Payment to SHMY Biochip within three working days. The amount is interest-free, unsecured and repayable on demand. The Beijing Company failed to deliver the Hong Kong currency in Hong Kong. The ex-directors were still in the negotiation with the Beijing Company in relation to the repayment of such amount. Despite the ex-directors were of the view that such amount could be recovered but since no agreement had been reached in relation to the date of repayment, the entire amount had been impaired during the year ended 31 December 2013.

On 9 June 2014, the Company announced that the full amount was recovered and the Group recognized the full amount recovered as “recovery of other receivable previously written off” in other gains in the interim financial statements for the six months ended 30 June 2014. Purportedly, the whole amount of RMB396,000,000 was recovered by SHMY Biochip in May and June 2014. However, the Board was unable to ascertain whether or not the Payment had been fully recovered as the Board was unable to gain access to the books and records of SHMY Biochip. Subsequently, a sum of RMB420,000,000 was withdrawn from a bank account but details of the transfer were unknown. For reasons as disclosed in note 43, the financial performance of SHMY Biochip were derecognised in these consolidated financial statements. Therefore, no other gains in respect of the allegedly recovery is recognized in these consolidated financial statements for the year ended 31 December 2014.

The Payment had raised concern from the Listing Department of the Stock Exchange. On 28 June 2016, the Listing Committee conducted a hearing into the conduct of the Company and the relevant directors in respect of this transaction. The Listing Committee found that the Payment constituted financial assistance by the Company to the Beijing Company and it was a non-exempt transaction and subject to the requirements under Chapter 14 of the Listing Rules. Based on the size of the Payment, it constituted a major transaction subject to announcement requirements under Rule 14.34 and shareholder approval requirement under Rule 14.40 of the Listing Rules. The Company had not obtained shareholders' approval before the Payment was made and only disclosed, with delay, on 31 March 2014. The Listing Committee concluded that the Company breached Rules 14.34 and 14.40 of the Listing Rules. The Company and six ex-directors were censured by the Stock Exchange on 28 September 2016.

g) Going concern

During the year ended 31 December 2014, the Group incurred a loss of HK\$868,182,000 and based on management accounts, the Group was still operating at a loss up to the date of approval of these consolidated financial statements. As at 31 December 2014, the Group had net current assets of HK\$2,301,000. However, the Group has already recorded net current liabilities and net liabilities subsequently.

The major loan liabilities of the Group as at the date of approval of these consolidated financial statements included loans and loan interests payable to Mr. Lam Ping Cheung and Lam & Co. of HK\$10,075,000 and loans and interests payable to Eastern Wealth Development Limited ("Eastern Wealth") of HK\$27,292,000.

In preparing these consolidated financial statements, the Board has given careful consideration to the impact of the current and anticipated future liquidity of the Group and the ability of the Group to attain profit and positive cash flows from operations in the immediate and longer term. The ability of the Group to operate as a going concern is dependent upon the availability of the credit facilities provided by Mr. Lam Ping Cheung, a substantial shareholder of the Company and being the Chairman and director of the Company and Eastern Wealth and the future business performance of the Group. These conditions indicate the existence of a material uncertainty which may cast significant doubt on the Group's ability to continue as a going concern and therefore it may be unable to realise its assets and discharge its liabilities in the normal course of business. Notwithstanding the above, the Board considered that it is appropriate to adopt the going concern basis in preparing these consolidated financial statements.

The Board is satisfied that the Group will have sufficient financial resources to meet its financial obligations as and when they fall due in the foreseeable future after taking into consideration of the following:

i) Loan facilities from Mr. Lam Ping Cheung and Lam & Co

On 12 September 2016, the Company and Mr. Lam Ping Cheung entered into a loan agreement pursuant to which Mr. Lam agreed to make available to the Company a credit facility of HK\$5,000,000 for two years for the ordinary course of business of the Group. The loan bears interest at 8% per annum which shall not be payable unless and until the maturity of the loan.

On 18 May 2018, the Company and Mr. Lam Ping Cheung entered into a supplementary agreement pursuant to which the term of the loan agreement shall be extended for 2 years to 11 September 2020.

As of the date of approval of these consolidated financial statements, the outstanding loan and accrued interests amounted to HK\$2,992,000 and HK\$655,000 respectively. The remaining loan facility available for future not under the loan agreement amounted to HK\$2,008,000.

On 18 May 2018, the Company entered into a loan agreement with Lam & Co for a loan facility of HK\$40,000,000 for use in the ordinary course of business of the Group. The loan bears interest at 8% per annum. Interest on loan shall not be payable unless and until the maturity of the loan under the loan agreement.

All outstanding principal and accrued interest under the loan agreement shall be repayable by the Company within 3 months upon written demand by Lam & Co. However, Lam & Co undertakes not to demand the repayment of all outstanding principal and accrued interest under the loan agreement within 5 years from the date of the loan agreement.

As of the date of approval of these consolidated financial statements, the outstanding loan and accrued interests amounted to HK\$6,000,000 and HK\$428,000 respectively. The remaining loan facility available for future use under the loan agreement amounted to HK\$34,000,000.

ii) Loan facilities from Eastern Wealth

On 27 September 2016, the Company and Eastern Wealth entered into a loan agreement pursuant to which Eastern Wealth made available to the Company a credit facility of HK\$30,000,000 (the first loan agreement). The loan bears interest at 10% per annum and shall not be payable unless and until the maturity of the loan under the terms of the first loan agreement. The credit facility was for a period of three years from the date of the first loan agreement.

On 18 May 2018, the Company and Eastern Wealth entered into a supplementary agreement to extend the term of the loan to 26 September 2020 and Eastern Wealth undertakes not to demand repayment of the loan and accrued interests by one more year to 26 September 2020.

As of the date of approval of these consolidated financial statements, the outstanding loan and accrued interests amounted to HK\$15,000,000 and HK\$2,880,000 respectively. The remaining loan facilities available for future use under the first loan agreement amounted to HK\$15,000,000.

On 23 August 2018, the Company and Eastern Wealth entered into another loan agreement pursuant to which Eastern Wealth made available to the Company a new credit facility of HK\$9,000,000 (the second loan agreement). The loan bears interest at 10% per annum and shall not be payable unless and until the maturity of the loan under the terms of the second loan agreement. The credit facility was for a period of three years from the date of the second loan agreement.

As of the date of approval of these consolidated financial statements, the outstanding loan and accrued interests amounted to HK\$9,000,000 and HK\$412,000 respectively. There was no remaining loan facility available for future use under the second loan agreement.

Based on the cash flow projections of the Group and having taken into account the available financial resources of the Group and the above measures, the Board considers that the Group will be able to obtain sufficient financing to enable it to operate, as well as to meet its liabilities as and when they become due, and the capital expenditure requirements for the upcoming twelve months. Accordingly, the Board believes that it is appropriate to prepare these consolidated financial statements on a going concern basis.

Should the Group be unable to continue in business as a going concern, adjustments would have to be made to write down the value of assets to their recoverable amounts, to provide for further liabilities which might arise and to reclassify non-current assets and liabilities to current assets and liabilities respectively. The effects of these potential adjustments have not been reflected in these consolidated financial statements.

3. APPLICATION OF NEW AND REVISED HONG KONG FINANCIAL REPORTING STANDARDS

In the current year, the Group has applied the following new and revised HKFRSs issued by the HKICPA.

Amendments to HKFRS 10, HKFRS 12 and HKAS 27	Investment entities
Amendments to HKAS 32	Offsetting financial assets and financial liabilities
Amendments to HKAS 36	Recoverable amount disclosures for non-financial assets
Amendments to HKAS 39 HK(IFRIC) – INT 21	Novation of derivatives and continuation of hedge accounting Levies

The impacts of the adoption of new and revised HKFRSs are described below:

- (a) Amendments to HKFRS 10 include a definition of an investment entity and provide an exception to the consolidation requirement for entities that meet the definition of an investment entity. Investment entities are required to account for subsidiaries at fair value through profit or loss rather than consolidate them. Consequential amendments were made to HKFRS 12 and HKAS 27 (2011). The amendments to HKFRS 12 also set out the disclosure requirements for investment entities. The amendments have had no impact on the Group as the Company does not qualify as an investment entity as defined in HKFRS 10.
- (b) The HKAS 32 Amendments clarify the meaning of “currently has a legally enforceable right to set off” for offsetting financial assets and financial liabilities. The amendments also clarify the application of the offsetting criteria in HKAS 32 to settlement systems (such as central clearing house systems) which apply gross settlement mechanisms that are not simultaneous. The amendments have had no impact on the Group as the Group does not have any offsetting arrangement.
- (c) The amendments to HKAS 36 remove the requirement to disclose the recoverable amount of a cash-generating unit (CGU) to which goodwill or other intangible assets with indefinite useful lives had been allocated when there has been no impairment or reversal of impairment of the related CGU. Furthermore, the amendments introduce additional disclosure requirements applicable to when the recoverable amount of an asset or a CGU is measured at fair value less costs of disposal. These new disclosures include the fair value hierarchy, key assumptions and valuation techniques used which are in line with the disclosure required by HKFRS 13 *Fair Value Measurements*.

The application of these amendments has had no material impact on the disclosures in the Group’s consolidated financial statements.

- (d) The HKAS 39 Amendments provide an exception to the requirement of discontinuing hedge accounting in situations where over-the-counter derivatives designated in hedging relationships are directly or indirectly, novated to a central counterparty as a consequence of laws or regulations, or the introduction of laws or regulations. For continuance of hedge accounting under this exception, all of the following criteria must be met: (i) the novations must arise as a consequence of laws or regulations, or the introduction of laws or regulations; (ii) the parties to the hedging instrument agree that one or more clearing counterparties replace their original counterparty to become the new counterparty to each of the parties; and (iii) the novations do not result in changes to the terms of the original derivative other than changes directly attributable to the change in counterparty to achieve clearing. The amendments have had no impact on the Group as the Group has not novated any derivatives during the current and prior years.
- (e) HK(IFRIC)-Int 21 clarifies that an entity recognises a liability for a levy when the activity that triggers payment, as identified by the relevant legislation, occurs. The interpretation also clarifies that a levy liability is accrued progressively only if the activity that triggers payment occurs over a period of time, in accordance with the relevant legislation. For a levy that is triggered upon reaching a minimum threshold, the interpretation clarifies that no liability should be recognised before the specified minimum threshold is reached. The interpretation has had no impact on the Group as the Group does not have any levies.

The Company has not early applied the following new and revised HKFRSs that have been issued but are not yet effective for the current accounting period:

¹¹ Effective for annual periods beginning on or after 1 January 2020.

HKFRS 16 Leases

HKFRS 16, which upon the effective date will supersede HKAS 17 *Leases*, introduces a single lessee accounting model and requires a lessee to recognize assets and liabilities for all leases with a term of more than 12 months, unless the underlying asset is of low value. Specifically, under HKFRS 16, a lessee is required to recognize a right-of-use asset representing its right to use the underlying leased asset and a lease liability representing its obligation to make lease payments. Accordingly, a lessee liability should recognize depreciation of the right-of-use asset and interest on the lease liability, and also classifies cash payments of the lease liability into a principal portion and an interest portion and presents them in the statement of cash flows.

Also, the right-of-use asset and these lease liability are initially measured on a present value basis. The measurement includes non-cancellable lease payments and also includes payments to be made in optional periods if the lessee is reasonably certain to exercise an option to extend the lease, or not to exercise an option to terminate the lease. This accounting treatment is significantly different from the lessee accounting for leases that are classified as operating leases under the predecessor standard, HKAS 17.

In respect of the lessor accounting, HKFRS 16 substantially carries forward the lessor accounting requirements in HKAS 17. Accordingly, a lessor continues to classify its leases as operating leases or finance leases and to account for these two types of leases differently.

As at 31 December 2014, the Group has non-cancellable operating lease commitments of HK\$1,742,000, as disclosed in note 38. A preliminary assessment indicates that these arrangements will meet the definition of a lease under HKFRS 16, and hence the Group will recognise a right-of-use asset and a corresponding liability in respect of all the leases.

The directors of the Company anticipate that the application of other new and revised HKFRS will have no material effect on the Group's consolidated financial statements.

In addition, the requirements of Part 9, "Accounts and Audit", of the new Hong Kong Companies Ordinance (CAP. 622) come into operation from the Company's first financial year commencing after 3 March 2014 (i.e. the Company's financial year which began on 1 January 2015) in accordance with section 358 of that Ordinance. The Group is in the process of making an assessment of the expected impact of the changes in the Companies Ordinance on the consolidated financial statements in the period of initial application of Part 9. So far it has concluded that the impact is unlikely to be significant and will primarily only affect the presentation and disclosure of information in the consolidated financial statements.

8. REVENUE

An analysis of the Group's revenue for the year is as follows:

	<i>Note</i>	2014 <i>HK\$'000</i>	2013 <i>HK\$'000</i>
Sales from health care division	(a)	45,243	20,893
Sales from protein chips division	(b)	–	281,293
Medical centres management	(b)	–	71,459
Sales from individualised target therapy division	(b)	–	29,467
Sales from bio-drugs division	(b)	–	1,038
		45,243	404,150

Note:

- (a) The sales from health care division mainly represented the sales of HPV detection products by a subsidiary namely Genetel Pharmaceuticals (Shenzhen) Company Limited (“Genetel Shenzhen”) to hospitals and other customers (the “End Users”). However, Genetel Shenzhen did not enter into any sales contracts with the End Users. Genetel Shenzhen only entered into agreements (the “Sales Agreements”) with certain distributors pursuant to which Genetel Shenzhen sold goods to the distributors. Under the Sales Agreements, Genetel Shenzhen shall deliver goods to the End Users upon receiving payments from the distributors (the “Payments”) and issue sales invoices for the distributors to the End Users under the instructions from the distributors. The sales invoices issued by Genetel Shenzhen to the End Users were to be in amounts specified by the distributors without the Group having a price negotiating right. The selling prices stated in the sales invoices were higher than the selling prices stated in the Sales Agreements with the distributors.

Under another agreement with the distributors, the distributors were appointed to perform technical and ancillary services to the End Users. Upon receiving of settlements of trade receivables from the End Users, Genetel Shenzhen was required to pay the distributors the technical service fees (note 13) and refund the Payments (classified as receipts in advance in note 31(b)) to the distributors net of appropriate value added tax incurred by Genetel Shenzhen in issuing invoices for the distributors. No acknowledgment of goods receipt by the End Users were kept by Genetel Shenzhen.

Notwithstanding the fact that no written agreements for sales were entered into between Genetel Shenzhen and the End Users, the Board considered that the End Users were customers of Genetel Shenzhen instead of the distributors, therefore, the amounts stated in the sales invoices issued for the End Users were recognised as revenue by Genetel Shenzhen.

- (b) In 2013, these sales were generated by the Shanghai Subsidiaries. As the Board was unable to gain access to the books and records of the Shanghai Subsidiaries, the sales of the Shanghai Subsidiaries were derecognised from these consolidated financial statements.

13. LOSS BEFORE TAX

	2014 <i>HK\$'000</i>	2013 <i>HK\$'000</i>
Loss before tax has been arrived at after charging:		
Depreciation of property, plant and equipment	496	35,481
Amortisation of prepaid lease payments	–	1,044
Amortisation of other intangible assets (included in other expenses)	–	93,361
Amortisation of other intangible assets (included in cost of sales)	4,082	27,820
Staff costs		
– directors' emoluments (<i>Note 15(a)</i>)	2,919	3,844
– other staff costs	9,801	40,595
– retirement benefits scheme contributions, excluding directors	971	4,979
	<u>13,691</u>	<u>49,418</u>
Auditors' remuneration		
– Crowe	700	–
– Other	1,664	1,659
Cost of inventories recognised as expenses	3,890	126,111
Write-down of inventories	230	–
Research and development expenditure (included in other expenses)	3,320	10,925
Technical service fees (<i>Note</i>) (included in administrative expenses)	<u>22,566</u>	<u>5,316</u>

Note: Under the agreements with the distributors, the distributors were appointed to perform technical and ancillary services to the End Users. After making appropriate enquires, the Board observed that the technical service fees represented spending and costs incurred by distributors and their associates for the purposes of maintaining distribution channels and establishments; travelling and entertainments and potential client solicitation throughout the PRC; and the profit margin and commission paid to the distributors and their associates. Certain technical service fees of HK\$14,486,000 were supported by invoices issued by third parties unrelated to the provision of technical services.

The Board noted that out of the technical services fees, HK\$4,294,000 were related to the sales transactions conducted and recognised in 2013. In the absence of sufficient information, the Board was unable to determine if these technical services fees of HK\$4,294,000 had been accrued in the consolidated financial statements for the year ended 31 December 2013.

14. INCOME TAX (CREDIT)/EXPENSE

	2014 <i>HK\$'000</i>	2013 <i>HK\$'000</i>
PRC Enterprise Income Tax		
– Current year	527	23,122
– Underprovision in prior years	–	19

Deferred tax (<i>Note 34</i>)		
– Current year	(6,643)	(12,727)
– Write back of unreconciled deferred tax liabilities	(48,041)	–
	<u>(48,041)</u>	<u>–</u>
Income tax (credit)/expenses	<u>(54,157)</u>	<u>11,264</u>

No provision for Hong Kong Profits Tax has been made since the group entities operating in Hong Kong had no assessable profits for both years.

Under the Law of the People's Republic of China on Enterprise Income Tax (the "EIT Law") and Implementation Regulation of the EIT Law, the tax rate of the PRC subsidiaries is 25%.

Pursuant to the relevant laws and regulations in the PRC, one of the Group's PRC subsidiaries, 上海銘源數康生物芯片有限公司 is exempted from PRC income tax for two years starting from its first profit-making year, followed by a 50% reduction for the next three years. The first profit-making year is 2008 and the applicable tax rate for 2012 is 12.5%. The subsidiary was then approved as a "high and new technology enterprise" and became eligible to enjoy a preferential enterprise income tax rate of 15% starting from the 2013 until 2015. The Group's another PRC subsidiary, 湖州數康生物科技股份有限公司 was approved as a "high and new technology enterprise" and became eligible to enjoy a preferential enterprise income tax rate of 15% until 2013. As disclosed in note 43 to the consolidated financial statements, both 上海銘源數康生物芯片有限公司 and 湖州數康生物科技股份有限公司 were derecognised since 1 January 2014.

Taxation arising in other jurisdiction is calculated at the rate prevailing in the relevant jurisdiction.

The income tax (credit)/expense for the year can be reconciled to the loss before tax per the consolidated statement of profit or loss and other comprehensive income as follows:

	2014 <i>HK\$'000</i>	2013 <i>HK\$'000</i>
Loss before tax	<u>(922,339)</u>	<u>(1,176,878)</u>
Notional tax on loss before taxation, calculated at the rates applicable to losses in the tax jurisdictions concerned	(152,424)	(294,220)
Tax effect of share of results of a joint venture and an associate	–	2,888
Tax effect of income not taxable for tax purpose	(2,440)	–

Underprovision in prior years	–	19
Tax effect of withholding tax on the undistributed profits of PRC subsidiaries	332	6,051
Effect of different tax rates of subsidiaries operating in other jurisdictions	–	(918)
Write back of unreconciled deferred tax liabilities (<i>Note 34</i>)	(48,041)	–
Others	202	219
Income tax (credit)/expense for the year	<u>(54,157)</u>	<u>11,264</u>

16. DIVIDENDS

No dividend was paid or proposed during 2014, nor has any dividend been proposed since the end of the reporting period.

17. LOSS PER SHARE

The calculation of the basic and diluted loss per share attributable to the owners of the Company is based on the following data:

	2014 <i>HK\$'000</i>	2013 <i>HK\$'000</i>
Loss		
Loss for the purposes of basic and diluted loss per share		
Loss for the year attributable to owners of the Company	<u>(868,182)</u>	<u>(1,056,705)</u>
	2014	2013
Number of shares		
Weighted average number of ordinary shares for the purpose of calculation of basic and diluted loss per share	<u>4,383,892,800</u>	<u>4,384,150,553</u>

For the years ended 31 December 2014 and 2013, the computation of diluted loss per share does not assume the exercise of the Company's outstanding share options since their exercise would result in a decrease in loss per share.

The denominators used are the same as those detailed above for both basic and diluted loss per share.

34. DEFERRED TAX LIABILITIES

The following are the major deferred tax liabilities recognised and movements thereon during the current and prior years:

	Withholding tax on undistributed profits of the PRC subsidiaries <i>HK\$ '000</i>	Fair value adjustment on other intangible assets from business combination <i>HK\$ '000</i>	Total <i>HK\$ '000</i>
At 1 January 2013	52,625	150,238	202,863
Charge (credit) to profit or loss	6,051	(18,778)	(12,727)
Exchange adjustments	1,651	1,255	2,906
	<hr/>	<hr/>	<hr/>
At 31 December 2013 and 1 January 2014	60,327	132,715	193,042
Charge (credit) to profit or loss	332	(6,975)	(6,643)
Exchange adjustments	(19)	(127)	(146)
Derecognition of Shanghai Subsidiaries (Note 43)	(11,575)	(121,380)	(132,955)
Write back of unreconciled deferred tax liabilities (Note 14)	(48,041)	–	(48,041)
	<hr/>	<hr/>	<hr/>
At 31 December 2014	<u>1,024</u>	<u>4,233</u>	<u>5,257</u>

As at 31 December 2014, the Group had unused tax losses of HK\$65,348,000 (2013: HK\$87,686,000) available for offset against future profits. No deferred tax asset has been recognised in respect of the unused tax losses due to the unpredictability of future profits streams. The losses will expire within five years.

Under the Law of the PRC on Enterprise Income Tax, withholding tax is imposed on dividends declared in respect of profits earned by the PRC subsidiaries from 1 January 2008 onwards. As at 31 December 2014 and 2013, deferred taxation has been provided for in full in respect of undistributed profits retained by the PRC entities.

As disclosed in note 43 to the consolidated financial statements, the Board was unable to gain access to the books and records of the Shanghai Subsidiaries. Therefore, the deferred tax liabilities of the Shanghai Subsidiaries brought forward from 2013 were derecognised from these consolidated financial statements.

In addition, the Board was unable to reconcile the deferred tax liabilities relating to the undistributed profits of the PRC subsidiaries, and therefore, the Board recognised the unreconciled difference of HK\$48,041,000 as “write back of unreconciled deferred tax liabilities” to the consolidated statement of profit and loss and other comprehensive income.

43. LOSS ARISING FROM SHANGHAI SUBSIDIARIES

As disclosed in note 2, the Board of the Company has been unable to gain access to the books and records of Shanghai Subsidiaries and no financial information of the Shanghai Subsidiaries were made available. As a result, the financial performance and financial position were not consolidated into these consolidated financial statements. The balances relating to the Shanghai Subsidiaries brought forward from 31 December 2013, derived by the Board from incomplete records, were charged to the consolidated statement of profit or loss and other comprehensive income and resulted a loss of HK\$804,506,000. The details are set out below.

	<i>Note</i>	<i>HK\$'000</i>
Net assets of the Shanghai Subsidiaries:		
Property, plant and equipment		335,114

Loss arising from Shanghai Subsidiaries		804,506
		<hr/> <hr/>

Cash and cash equivalents for the purposes of the consolidated statement of cash flows represented the cash outflow of approximately RMB44,770,000 relating to loss on Shanghai Subsidiaries.

46. LITIGATIONS AND CONTINGENT LIABILITIES

Based on the available information, the Board noted that the Group and its joint venture were involved in the following litigations during the year ended 31 December 2014 and the other litigations subsequent to 31 December 2014 as disclosed in the note 47 (a) and (b) to the consolidated financial statements. Given the loss of books and records, the Board's inability to take over the control of the Shanghai Subsidiaries, the inability of gaining access to the books and records of the Shanghai Subsidiaries and the inability to obtain the necessary relevant information or documents from the former management, the Board believes that it is not practical, if not impossible, to ascertain the accuracy or completeness of the disclosure of the litigations and contingent liabilities during the year ended 31 December 2014 and those as disclosed under events after the reporting period in note 47 (a) and (b) to the consolidated financial statements. The Board was also unable to assess the potential financial impact of the litigations and contingent liabilities, if any, on these consolidated financial statements.

- a) On 18 October 2013, 天津紅鬃馬科技發展有限公司 (“天津紅鬃馬”) negotiated bills to 天津天極投資諮詢有限公司 (“天津天極”). The bills were further negotiated to 天津市響緣典當有限公司 (“響緣典當”) by 天津天極 on 5 January 2014. 響緣典當 presented the bills to a bank. However, the bank informed 響緣典當 that the issuer namely SHMY Biochip had insufficient fund in the bank account to honour the bills. The bills was issued by SHMY Biochip and guaranteed by the Company. 響緣典當 returned the bills to 天津天極. In February 2016, 天津天極 claimed against 天津紅鬃馬 and SHMY Biochip for RMB30,000,000. 天津天極 also claimed against the Company as guarantor of the bills. A court hearing was conducted in Tianjin, the PRC. According to the judgement made by the Tianjin Second Intermediate People's Court in September 2016, the Tianjin Second Intermediate People's Court considered that the claim should be made by 響緣典當 instead of 天津天極.

In November 2016, 天津天極 made an appeal claiming that 天津天極 made use of the bills for purchasing of goods from 響緣典當. As the bills were dishonoured, 天津天極 returned the goods to 響緣典當 and therefore 天津天極 obtained the legal right to claim against SHMY Biochip, 天津紅鬃馬 and the Company. SHMY Biochip claimed that the hearing should be in Shanghai instead of in Tianjin. According to the judgement made by the Tianjin Second Intermediate People Court in February 2017, the case was passed to the Tianjin First Intermediate People's Court for hearing. On 25 October 2017, the Tianjin First Intermediate People's Court accepted the case. However, 天津天極 did not pay the court fee within 7 days. On 1 December 2017, the Tianjin First Intermediate People's Court made a judgment and considered that 天津天極 had withdrawn the legal action.

- b) On 26 September 2013, an individual in the PRC (“Mr. Kwok”) granted a credit facility of RMB30,000,000 to 天津紅鬃馬 for a period of two years. Mr. Zhao was the person designated to receive the loan provided by Mr. Kwok. From 24 August 2012 to 20 February 2014, Mr. Kwok made loans totaling RMB26,600,000 to Mr. Zhao under the credit facility. Mr. Yao Yuan, Mr. Iu Chung, Mr. Zhao and 上海銘源實業 were guarantors of the loans. 天津紅鬃馬 failed to make loan repayments to Mr. Kwok. As such, Mr. Kwok took legal actions against 天津紅鬃馬, Mr. Zhao, Mr. Yao Yuan, Mr. Iu Chung and 上海銘源實業. According to the judgement made by the Tianjin First Intermediate People’s Court made in 2016, (i) 天津紅鬃馬 should repay the loan of RMB26,600,000 and loan interest of RMB20,168,000 to Mr. Kwok, (ii) Mr. Yao Yuan, Mr. Iu Chung, Mr. Zhao and 上海銘源實業 were jointly held liable for the liabilities under the guarantees, and (iii) 天津紅鬃馬, Mr. Yao Yuan, Mr. Iu Chung, Mr. Zhao and 上海銘源實業 should pay the litigation costs.

Mr. Yao Yuan and 上海銘源實業 made an appeal to the Tianjin Higher People’s Court in October 2017. The appeal was rejected by the Tianjin Higher People’s Court in December 2017.

- c) On 6 September 2013, an individual in the PRC (“Ms. 耿玉順”) entered into a loan agreement with 天津紅鬃馬 pursuant to which Ms. 耿玉順 granted a loan of RMB4,000,000 to 天津紅鬃馬 for a period of six months. Mr. Zhao, 上海銘源實業, 天津創華投資諮詢有限公司 and 天津康盟醫療投資有限公司 were guarantors of the loans. 天津紅鬃馬 failed to make loan repayments to Ms. 耿玉順. As such, Ms. 耿玉順 took legal actions against 天津紅鬃馬, Mr. Zhao, 上海銘源實業, 天津創華投資諮詢有限公司 and 天津康盟醫療投資有限公司.

According to the judgement made by the Tianjin People’s Court made in December 2014, (i) 天津紅鬃馬 should repay the loan of RMB4,000,000 and loan interest of RMB370,000 to Ms. 耿玉順, (ii) 天津紅鬃馬 should pay the legal costs, and (iii) Mr. Zhao, 上海銘源實業, 天津創華投資諮詢有限公司 and 天津康盟醫療投資有限公司 were jointly held liable for the liabilities under the guarantees and the legal costs.
